MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Brandberg & Ugab river

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)
- >> 2x4 to start of guided tour to White Lady

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)
 - >> 2x4 to start of guided tour to White Lady
 - >> 4x4 to explore surroundings

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)
 - >> 2x4 to start of guided tour to White Lady
 - >> 4x4 to explore surroundings
 - >> **hiking trails, rock climbing – lots of water needed**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)
 - >> 2x4 to start of guided tour to White Lady
 - >> 4x4 to explore surroundings
 - >> hiking trails, rock climbing – lots of water needed
 - >> be aware of snakes, leopards and scorpions when overnighting on mountain

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)
 - >> 2x4 to start of guided tour to White Lady
 - >> 4x4 to explore surroundings
 - >> hiking trails, rock climbing – lots of water needed
 - >> be aware of snakes, leopards and scorpions when overnighiting on mountain
 - >> photograph on foot & from car exploring the area

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Brandberg & Ugab river**
 - bare granite rock & boulders, interesting plants & rock paintings (White Lady)
 - >> 2x4 to start of guided tour to White Lady
 - >> 4x4 to explore surroundings
 - >> hiking trails, rock climbing – lots of water needed
 - >> be aware of snakes, leopards and scorpions when overnighiting on mountain
 - >> photograph on foot & from car exploring the area
 - >> best time: all year; in RS Ugab & smaller rivers may be running - flash flooding - getting stuck, flowering plants; dangerously high temperatures October to January

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Mesum crater

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Mesum crater**
 - desolated barren moon-landscape, complete quietness & isolation, *Welwitschia mirabilis*, lichen on red brown rock

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Mesum crater
 - desolated barren moon-landscape, complete quietness & isolation, Welwitschia mirabilis, lichen on red brown rock

>> 4x4 only; very remote; plan a few days

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Mesum crater
 - desolated barren moon-landscape, complete quietness & isolation, Welwitschia mirabilis, lichen on red brown rock
 - >> 4x4 only; very remote; plan a few days
 - >> camping only

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Mesum crater
 - desolated barren moon-landscape, complete quietness & isolation, Welwitschia mirabilis, lichen on red brown rock
 - >> 4x4 only; very remote; plan a few days
 - >> camping only
 - >> take all supplies

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Mesum crater
 - desolated barren moon-landscape, complete quietness & isolation, Welwitschia mirabilis, lichen on red brown rock
 - >> 4x4 only; very remote; plan a few days
 - >> camping only
 - >> take all supplies
 - >> back-up car

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Mesum crater**
 - desolated barren moon-landscape, complete quietness & isolation, Welwitschia mirabilis, lichen on red brown rock
 - >> 4x4 only; very remote; plan a few days
 - >> camping only

 - >> camping only
 - >> take all supplies
 - >> back-up car
 - >> photograph on foot
 - >> best time: all year

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Spitzkoppe Inselberg & Erongo mountains

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Spitzkoppe Inselberg & Erongo mountains**
 - granite boulders & impressive peaks, pools (in rainy season), rock climbing, grandiose vistas from above, rock paintings

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Spitzkoppe Inselberg & Erongo mountains**
 - granite boulders & impressive peaks, pools (in rainy season), rock climbing, grandiose vistas from above, rock paintings
- >> 2x4 to entrance & some camp sites; 4x4 to explore

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Spitzkoppe Inselberg & Erongo mountains**
 - granite boulders & impressive peaks, pools (in rainy season), rock climbing, grandiose vistas from above, rock paintings
 - >> 2x4 to entrance & some camp sites; 4x4 to explore
 - >> **hiking trails & rock climbing routes**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Spitzkoppe Inselberg & Erongo mountains**
 - granite boulders & impressive peaks, pools (in rainy season), rock climbing, grandiose vistas from above, rock paintings
 - >> 2x4 to entrance & some camp sites; 4x4 to explore
 - >> hiking trails & rock climbing routes
 - >> **photograph on foot**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Spitzkoppe Inselberg & Erongo mountains**
 - granite boulders & impressive peaks, pools (in rainy season), rock climbing, grandiose vistas from above, rock paintings
 - >> 2x4 to entrance & some camp sites; 4x4 to explore
 - >> hiking trails & rock climbing routes
 - >> photograph on foot
 - >> **best time: all year: pools may be full during rainy season**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Cape Cross

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Cape Cross
 - Cape Fur Seal colony (really close)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Cape Cross
 - Cape Fur Seal colony (really close)
 - >> 2x4; close to Swakopmund/Walvis Bay: day trip

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Cape Cross
 - Cape Fur Seal colony (really close)
 - >> 2x4; close to Swakopmund/Walvis Bay: day trip
 - >> gate with opening / closing hours

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Cape Cross
 - Cape Fur Seal colony (really close)
 - >> 2x4; close to Swakopmund/Walvis Bay: day trip
 - >> gate with opening / closing hours
 - >> photograph on foot

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

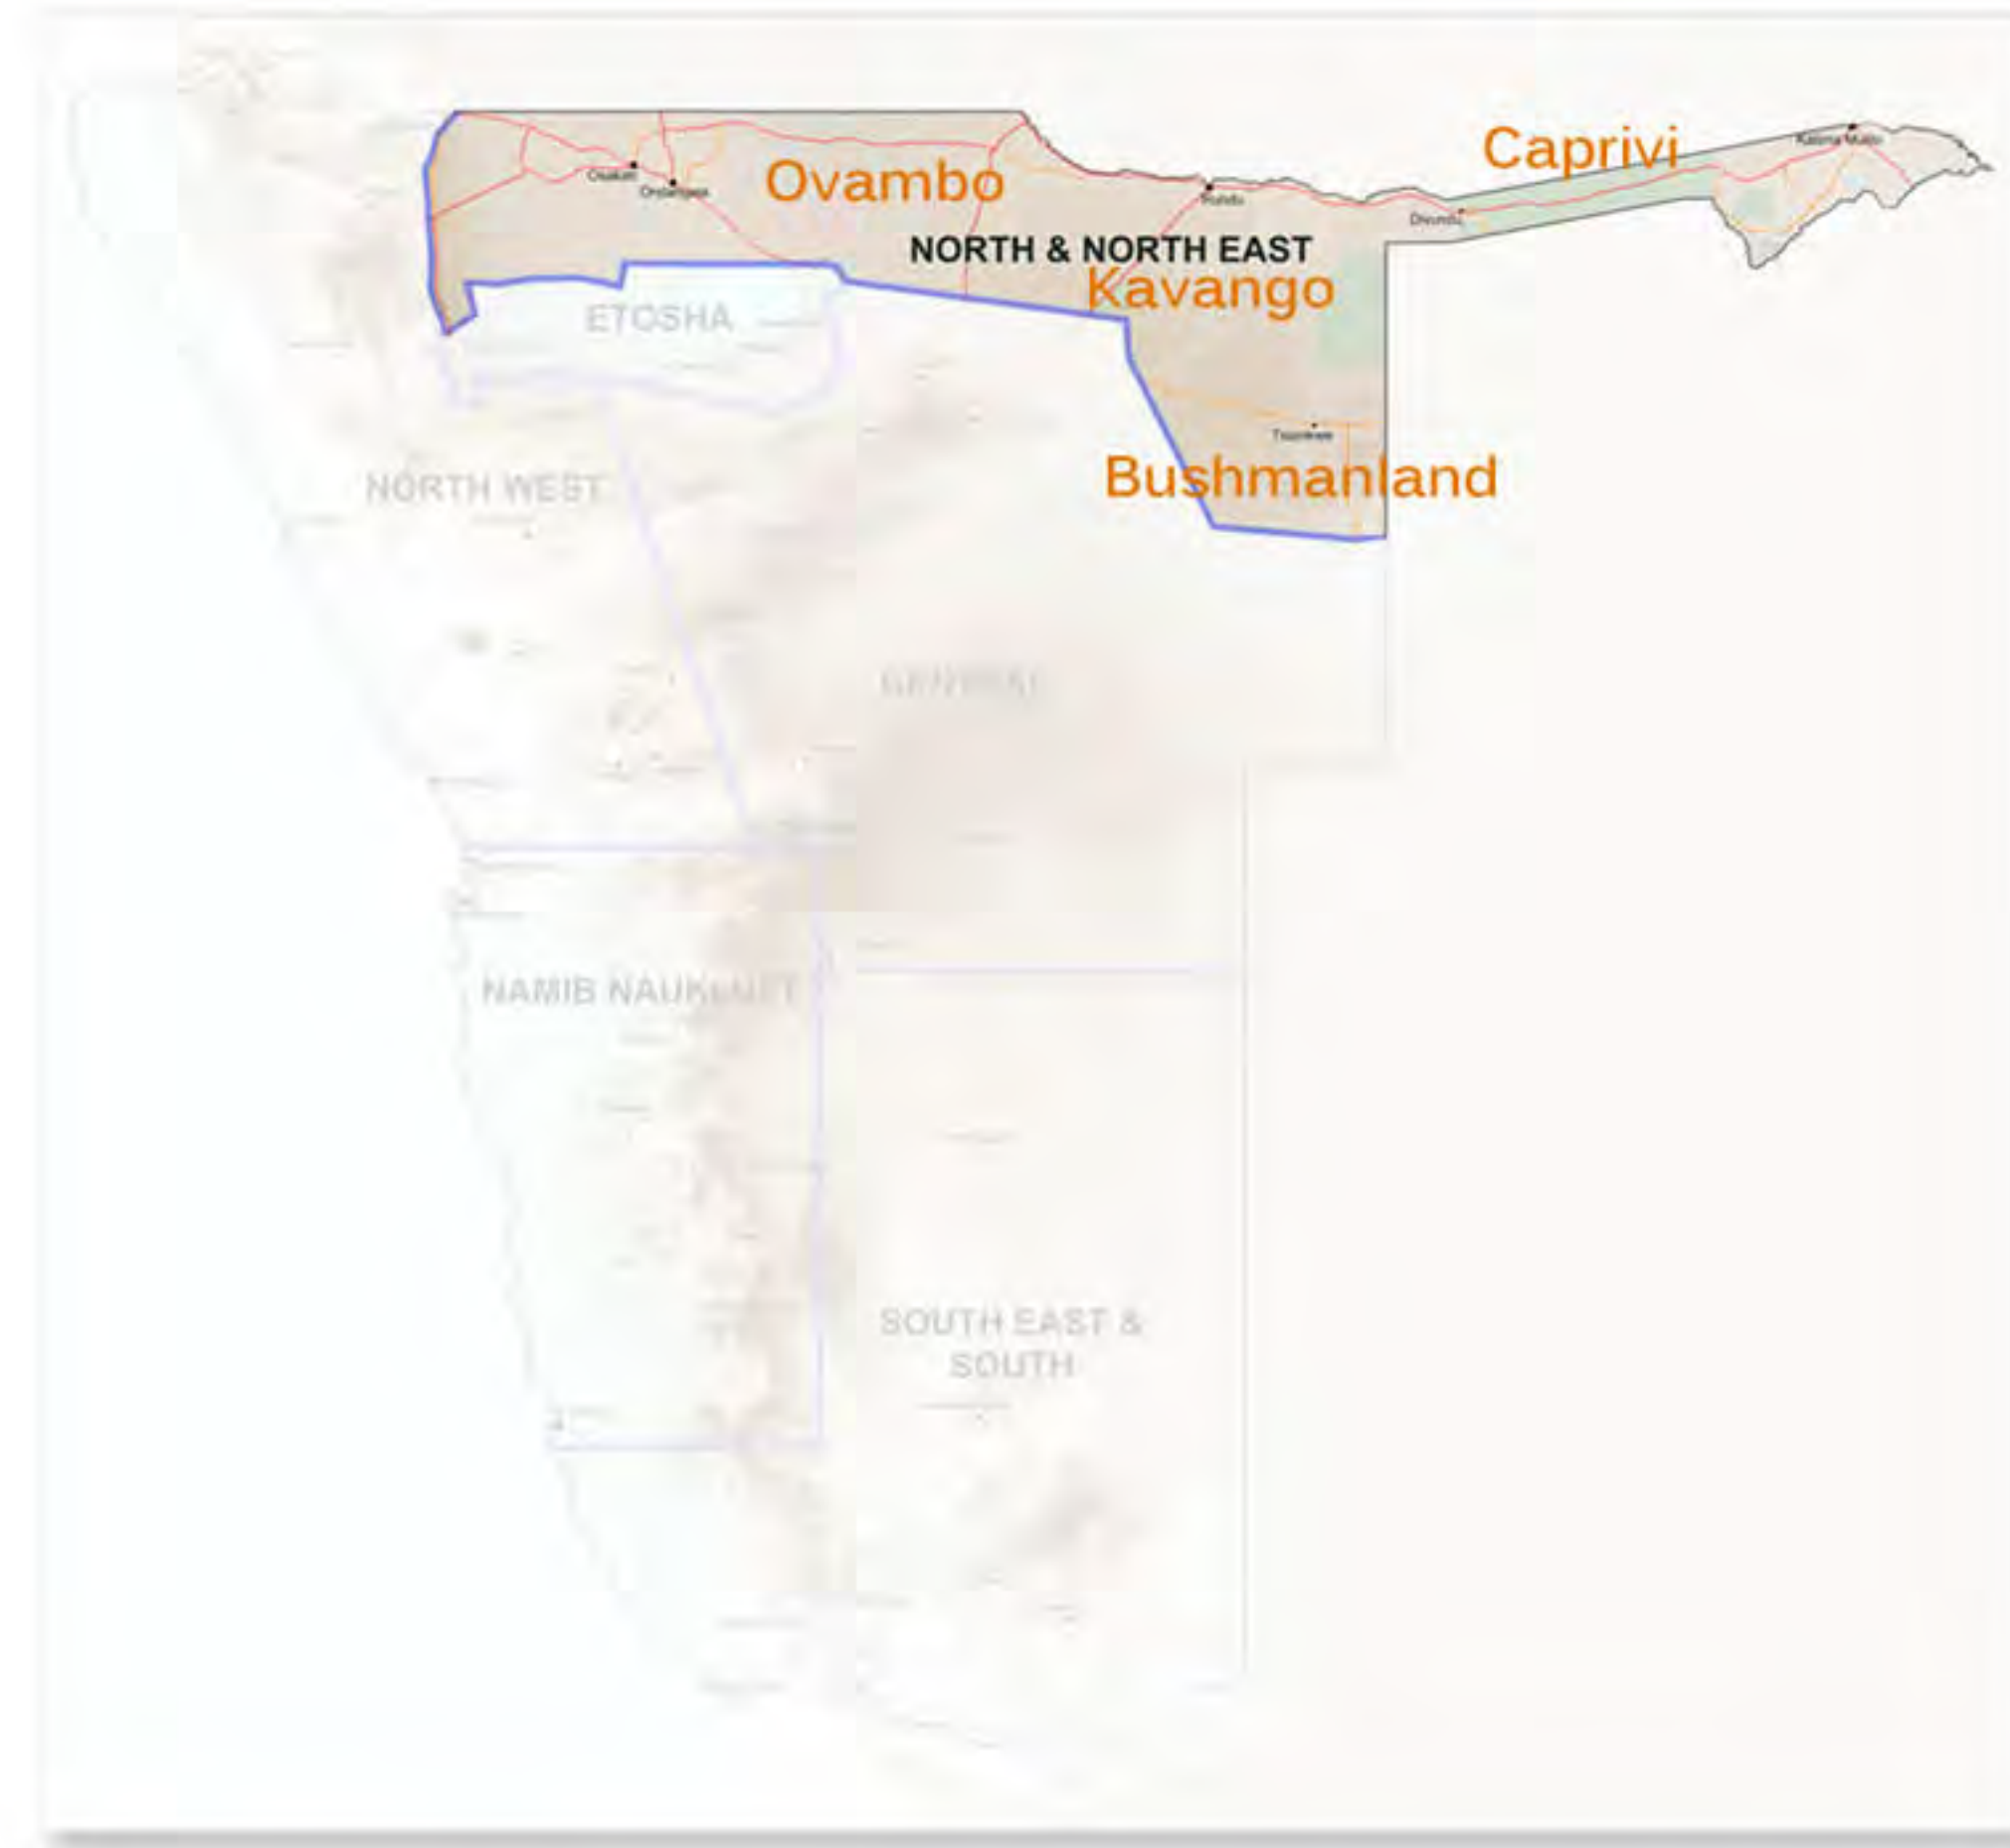

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Cape Cross
 - Cape Fur Seal colony (really close)
 - >> 2x4; close to Swakopmund/Walvis Bay: day trip
 - >> gate with opening / closing hours
 - >> photograph on foot
 - >> best time: all year; seal pups from December on

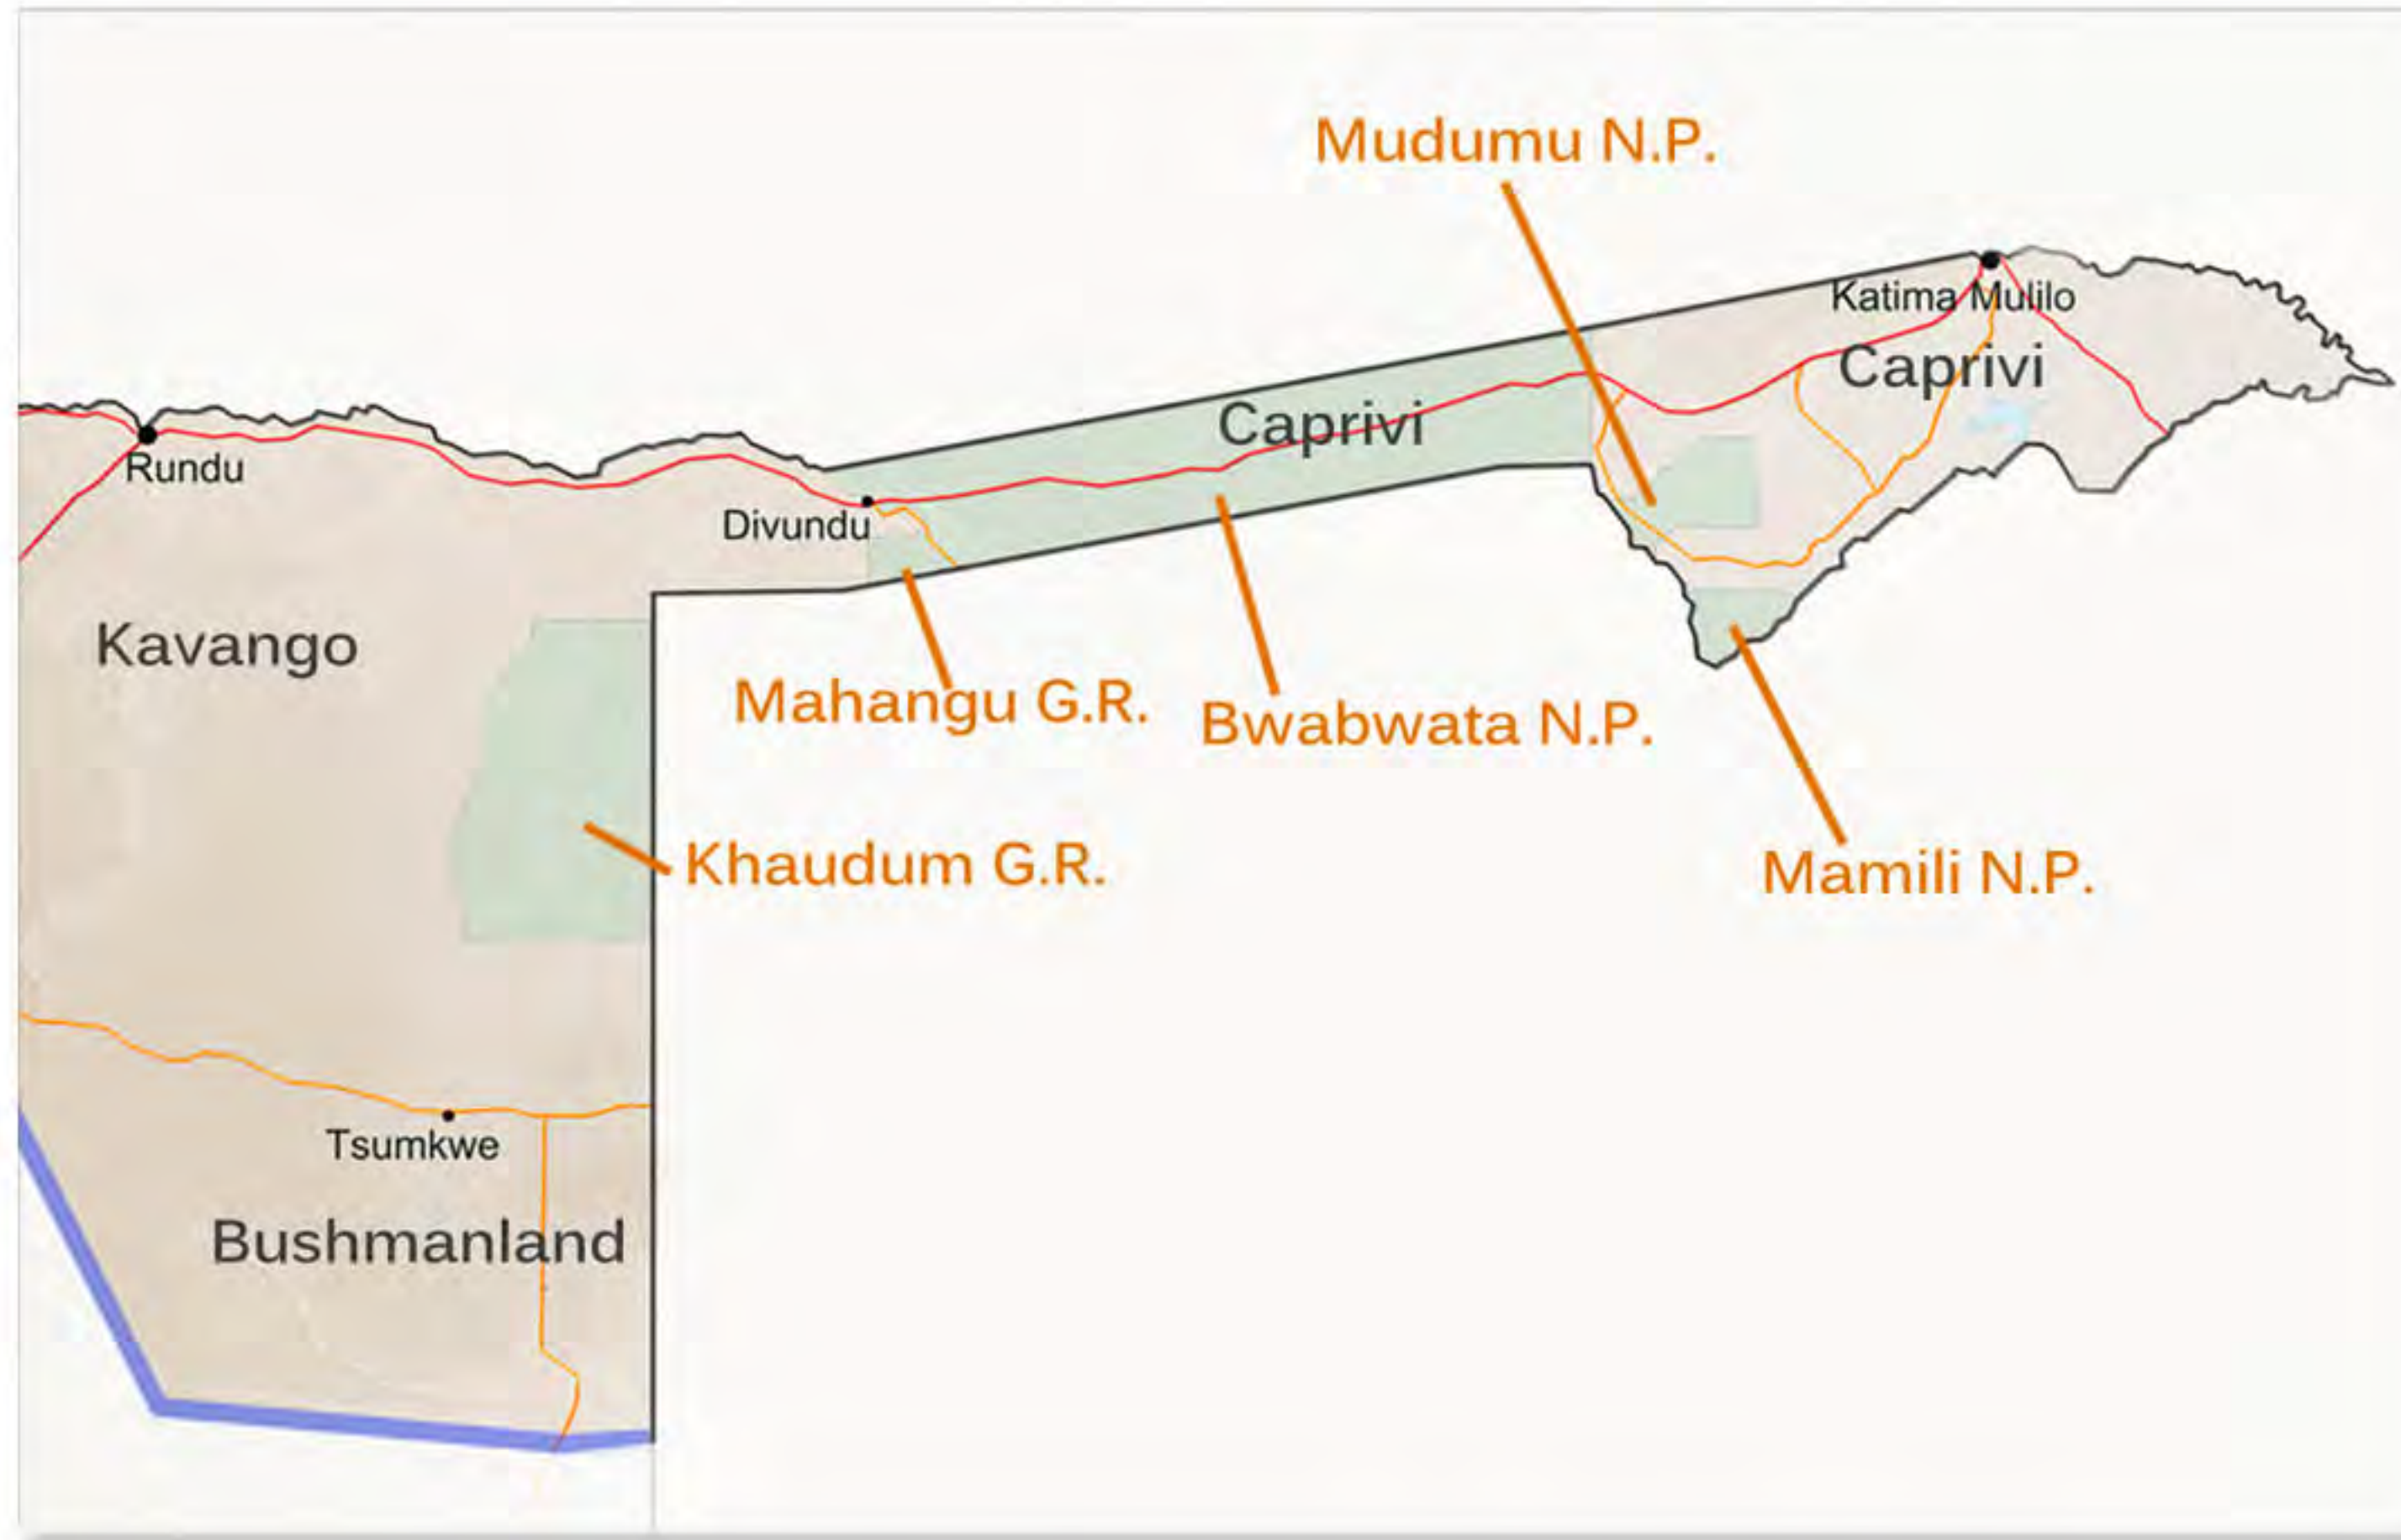

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia (Ovambo, Kavango, Bushmanland & Caprivi)

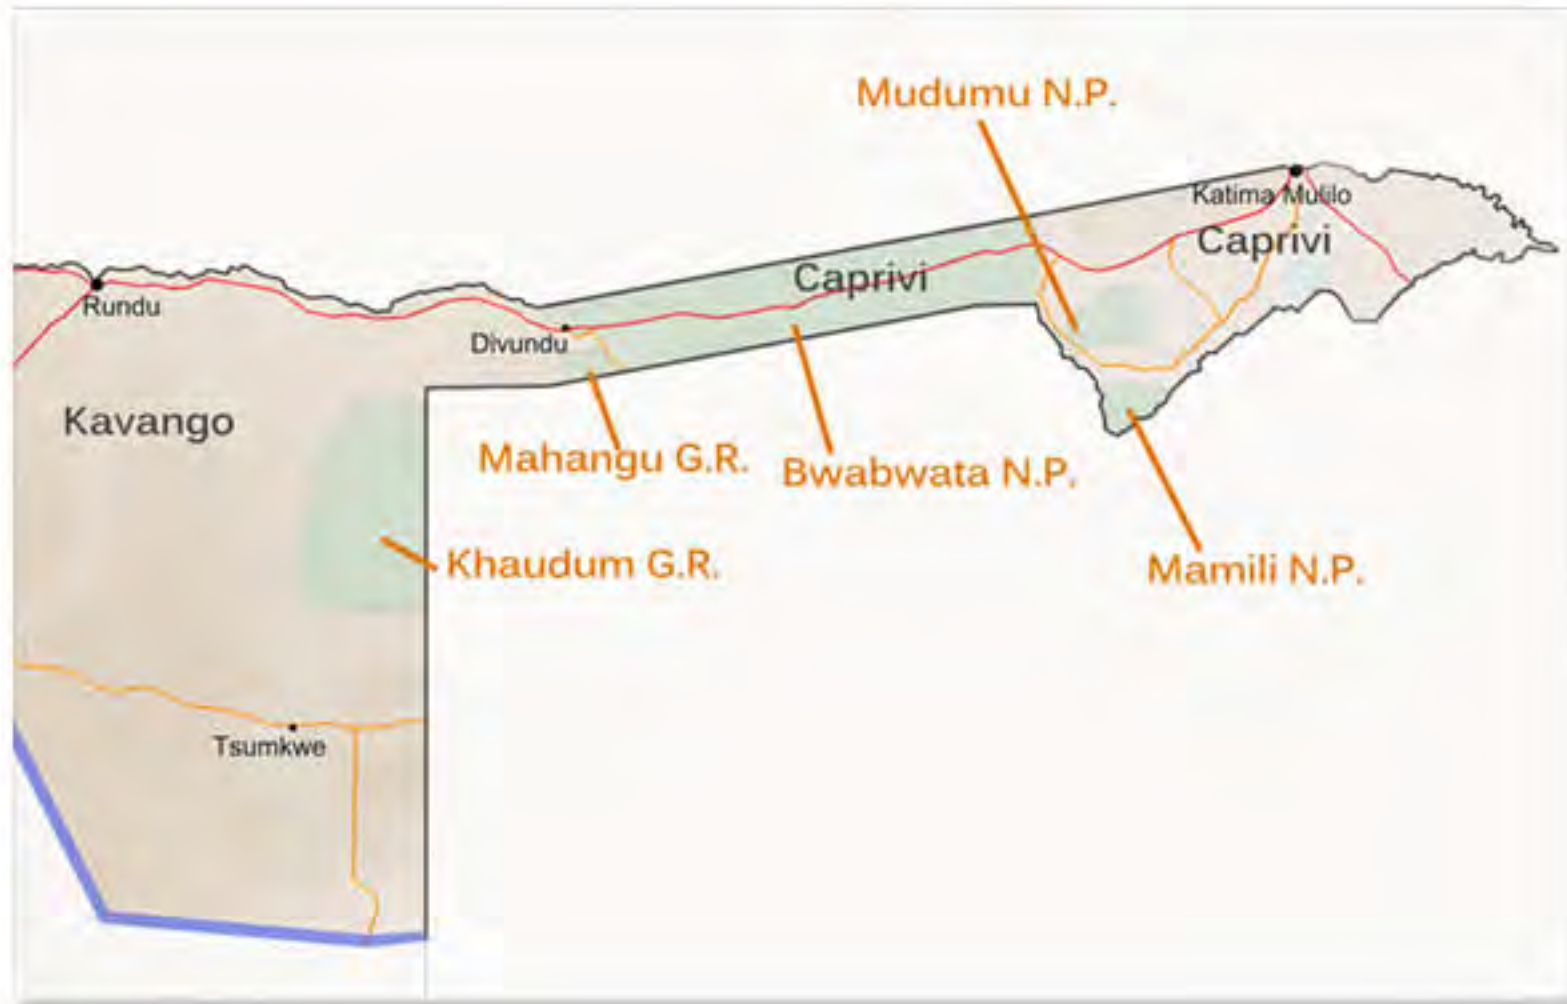

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia (focus on Caprivi)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

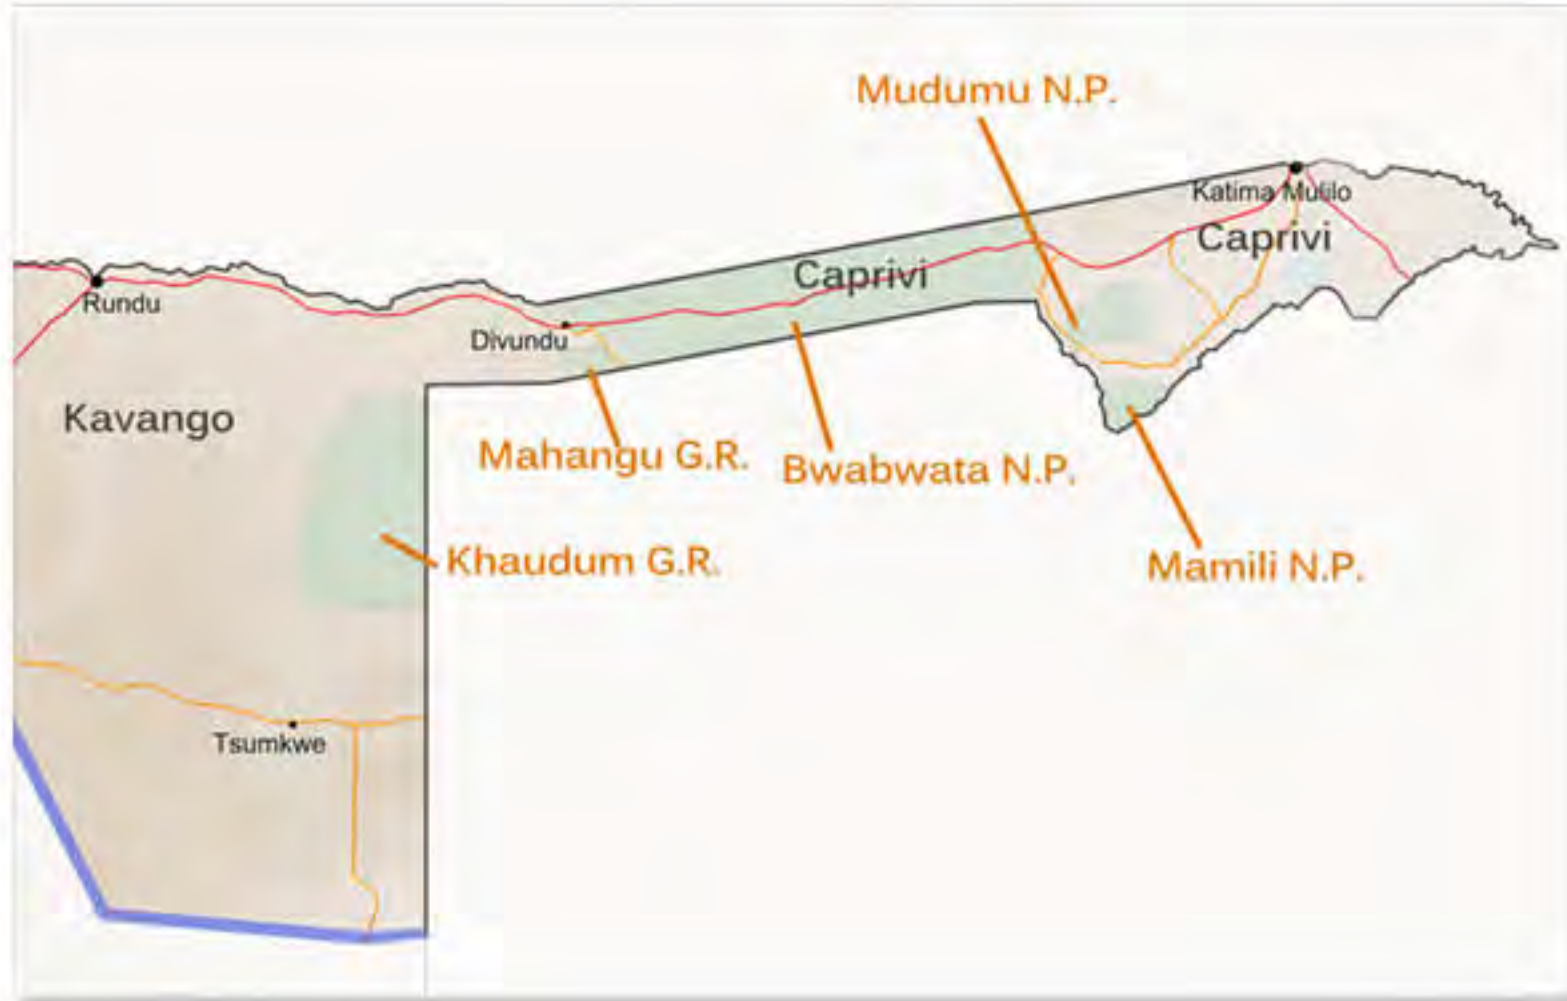

3. North & North-eastern Namibia

- Essence of North & North-eastern Namibia
 - Majority of Namibian people live here, especially in Ovambo

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Essence of North & North-eastern Namibia
 - Majority of Namibian people live here, especially in Ovambo
 - BUT large natural systems & national parks in Kavango and especially Caprivi

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
- >> Many and large National Parks and Nature Reserves

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
 - >> Many and large National Parks and Nature Reserves
 - >> Perennial rivers (Kavango, Kwando, Linyanti, Zambezi)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
 - >> Many and large National Parks and Nature Reserves
 - >> Perennial rivers (Kavango, Kwando, Linyanti, Zambezi)
- Photographic highlights:
 - >> abundant African wildlife & riverine systems

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
 - >> Many and large National Parks and Nature Reserves
 - >> Perennial rivers (Kavango, Kwando, Linyanti, Zambezi)
- Photographic highlights:
 - >> abundant African wildlife & riverine systems
 - >> the BIG FIVE

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
 - >> Many and large National Parks and Nature Reserves
 - >> Perennial rivers (Kavango, Kwando, Linyanti, Zambezi)
- Photographic highlights:
 - >> abundant African wildlife & riverine systems
 - >> the BIG FIVE
 - >> rare antelopes such as sable, roan & sitatungas

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

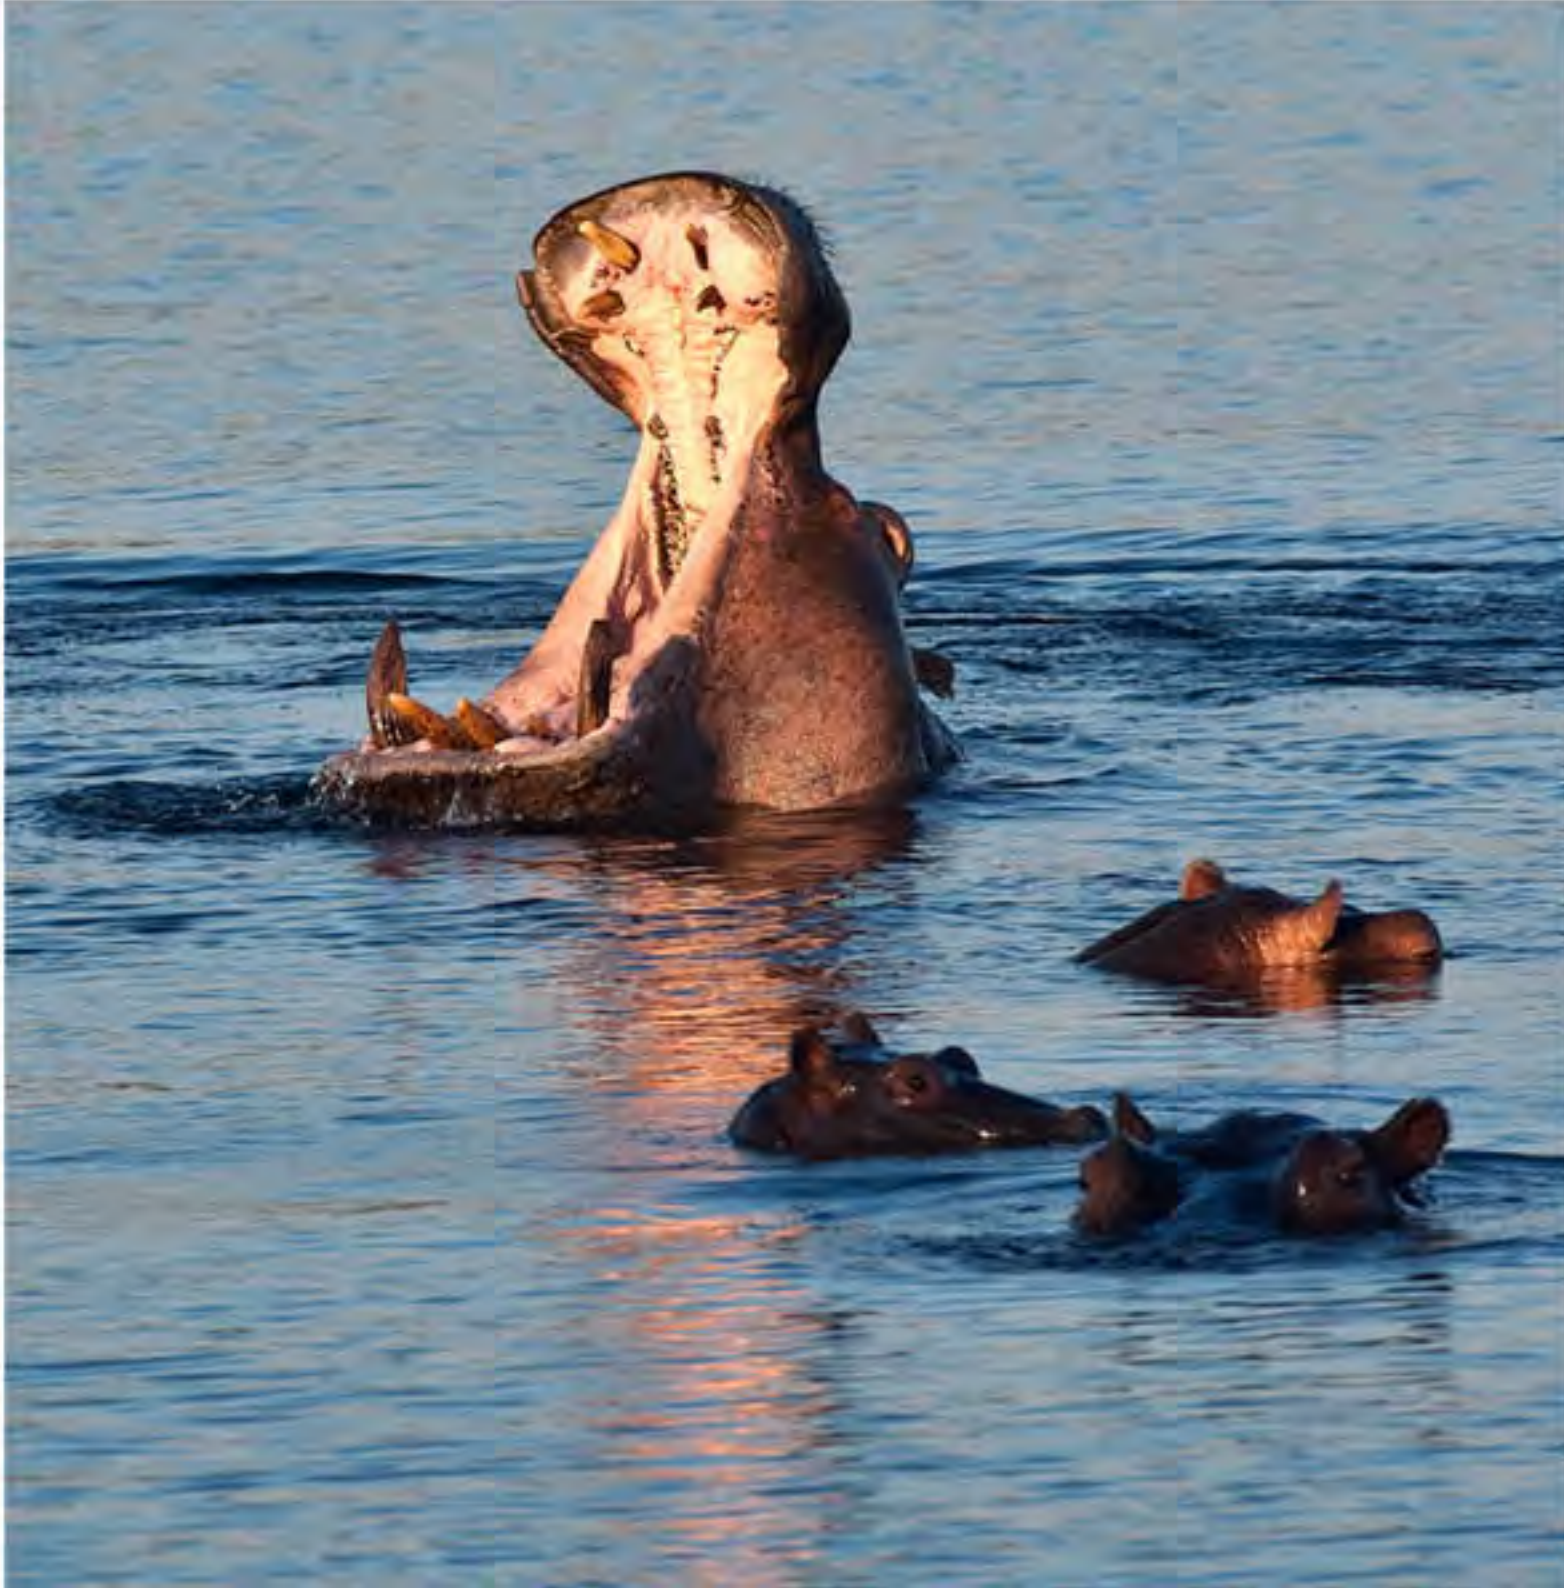

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
 - >> Many and large National Parks and Nature Reserves
 - >> Perennial rivers (Kavango, Kwando, Linyanti, Zambezi)
- Photographic highlights:
 - >> abundant African wildlife & riverine systems
 - >> the BIG FIVE
 - >> rare antelopes such as sable, roan & sitatungas
 - >> paradise for bird enthusiasts in rainy season

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi is the most natural & wildest region here
 - >> Many and large National Parks and Nature Reserves
 - >> Perennial rivers (Kavango, Kwando, Linyanti, Zambezi)
- Photographic highlights:
 - >> abundant African wildlife & riverine systems
 - >> the BIG FIVE
 - >> rare antelopes such as sable, roan & sitatungas
 - >> paradise for bird enthusiasts in rainy season
 - >> hippos & crocs

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi facts:
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Caprivi facts:
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi
- 2x4 to most lodges & camps

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- **Caprivi facts:**
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi
- 2x4 to most lodges & camps
- 4x4 to explore & do game drives

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- **Caprivi facts:**
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi
- 2x4 to most lodges & camps
- 4x4 to explore & do game drives
- **photography on foot, from car & by boat (on your own or guided trips with lodge safari)**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- **Caprivi facts:**
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi
- 2x4 to most lodges & camps
- 4x4 to explore & do game drives
- photography on foot, from car & by boat (on your own or guided trips with lodge safari)
- **wildlife less visible because of denser bush**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- **Caprivi facts:**
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi
- 2x4 to most lodges & camps
- 4x4 to explore & do game drives
- photography on foot, from car & by boat (on your own or guided trips with lodge safari)
- wildlife less visible because of denser bush
- **wildlife can be much more skittish than in Etosha (hunted outside of protected areas)**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- **Caprivi facts:**
- off the beaten track: dedicated trip (or combined with Etosha) & stay at least 5 days in Caprivi
- 2x4 to most lodges & camps
- 4x4 to explore & do game drives
- photography on foot, from car & by boat (on your own or guided trips with lodge safari)
- wildlife less visible because of denser bush
- wildlife can be much more skittish than in Etosha (hunted outside of protected areas)
- **elephants can be much more aggressive than in Etosha**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Best times to visit the Caprivi region:
>> for game viewing (elephants, buffalo): end of dry season (November)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Best times to visit the Caprivi region:
 - >> for game viewing (elephants, buffalo): end of dry season (November)
 - >> for birds: rainy season (January to April)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

3. North & North-eastern Namibia

- Best times to visit the Caprivi region:
 - >> for game viewing (elephants, buffalo): end of dry season (November)
 - >> for birds: rainy season (January to April)
 - >> for hippos: throughout the year, but form larger groups during dry season (September to November)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Essence of Etosha**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Essence of Etosha**
>> Much more in Modules 5 to 8
- **True large wilderness in Namibia (22 970 km²)**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Essence of Etosha**

>> Much more in Modules 5 to 8

- True large wilderness in Namibia (22 970 km²)
- **Home to large numbers of African game**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Essence of Etosha**

>> Much more in Modules 5 to 8

- True large wilderness in Namibia (22 970 km²)
- Home to large numbers of African game
- **African grassland, shrub & tree savanna**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Photographic highlights of Etosha**
- **Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Photographic highlights of Etosha
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Photographic highlights of Etosha
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Photographic highlights of Etosha
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Photographic highlights of Etosha**
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- **Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Photographic highlights of Etosha
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah
- Spectacular sightings of elephants, rhinos & lions at flood-lit waterholes at night

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Photographic highlights of Etosha**
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah
- Spectacular sightings of elephants, rhinos & lions at flood-lit waterholes at night
- **High concentrations of grazers & browsers (mixed herds of wildebeest, springbok, zebra, gemsbok, kudu & impala) at waterholes in the dry season**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Photographic highlights of Etosha**
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah
- Spectacular sightings of elephants, rhinos & lions at flood-lit waterholes at night
- High concentrations of grazers & browsers (mixed herds of wildebeest, springbok, zebra, gemsbok, kudu & impala) at waterholes in the dry season
- **Large herds of grazers on the short grass plains during the rainy and dry season**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- **Photographic highlights of Etosha**
- Etosha Pan: unique desert pan (4760 km²) with mirages in the dry season & flamingoes in rainy season
- Abundant charismatic African game species are elephants, lions, giraffe, rhino (black & white) & cheetah
- Spectacular sightings of elephants, rhinos & lions at flood-lit waterholes at night
- High concentrations of grazers & browsers (mixed herds of wildebeest, springbok, zebra, gemsbok, kudu & impala) at waterholes in the dry season
- Large herds of grazers on the short grass plains during the rainy and dry season
- **Abundant variety of small mammals, birds & reptiles**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
>> permit required (at entrance gates)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:

- > permit required (at entrance gates)

- >> gates open at sunrise/close sunset

- >> 2x4 car

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset
 - >> 2x4 car
 - >> plan one week for Etosha alone

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset
 - >> 2x4 car
 - >> plan one week for Etosha alone
 - >> accommodation inside or outside of park: outside you'll miss nightlife at flood-lit waterholes at camps

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset
 - >> 2x4 car
 - >> plan one week for Etosha alone
 - >> accommodation inside or outside of park: outside you'll miss nightlife at flood-lit waterholes at camps
 - >> good infrastructure of roads

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset
 - >> 2x4 car
 - >> plan one week for Etosha alone
 - >> accommodation inside or outside of park: outside you'll miss nightlife at flood-lit waterholes at camps
 - >> good infrastructure of roads
 - >> photography from car only along roads & from parking areas at waterholes

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset
 - >> 2x4 car
 - >> plan one week for Etosha alone
 - >> accommodation inside or outside of park: outside you'll miss nightlife at flood-lit waterholes at camps
 - >> good infrastructure of roads
 - >> photography from car only along roads & from parking areas at waterholes
 - >> photograph in rest camps on foot

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

4. Etosha National Park

- Important information about Etosha:
 - >> permit required (at entrance gates)
 - >> gates open at sunrise/close sunset
 - >> 2x4 car
 - >> plan one week for Etosha alone
 - >> accommodation inside or outside of park: outside you'll miss nightlife at flood-lit waterholes at camps
 - >> good infrastructure of roads
 - >> photography from car only along roads & from parking areas at waterholes
 - >> photograph in rest camps on foot
 - >> best time: all year; different sightings in rainy season and dry season

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

- >>2x4 to resort; guided game drives on top of plateau

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

5. Central & Eastern Namibia

- **Photographic Highlights: Waterberg Plateau Park**
 - red sandstone cliffs & table mountain, lush vegetation & rare wildlife species on plateau (sable & roan antelope, white rhino & buffalo)
 - baboons, mongoose & dik-dik visiting camp
 - >> 2x4 to resort; guided game drives on top of plateau
 - >> entrance gate with opening / closing hours at sunrise to sunset

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

5. Central & Eastern Namibia

- **Photographic Highlights: Waterberg Plateau Park**
 - red sandstone cliffs & table mountain, lush vegetation & rare wildlife species on plateau (sable & roan antelope, white rhino & buffalo)
 - baboons, mongoose & dik-dik visiting camp
 - >> 2x4 to resort; guided game drives on top of plateau
 - >> entrance gate with opening / closing hours at sunrise to sunset
 - >> hiking trails at foot and on top of plateau (be aware of snakes)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

5. Central & Eastern Namibia

- **Photographic Highlights: Waterberg Plateau Park**
 - red sandstone cliffs & table mountain, lush vegetation & rare wildlife species on plateau (sable & roan antelope, white rhino & buffalo)
 - baboons, mongoose & dik-dik visiting camp
 - >> 2x4 to resort; guided game drives on top of plateau
 - >> entrance gate with opening / closing hours at sunrise to sunset
 - >> hiking trails at foot and on top of plateau (be aware of snakes)
 - >> photograph on foot or from car on game drives

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

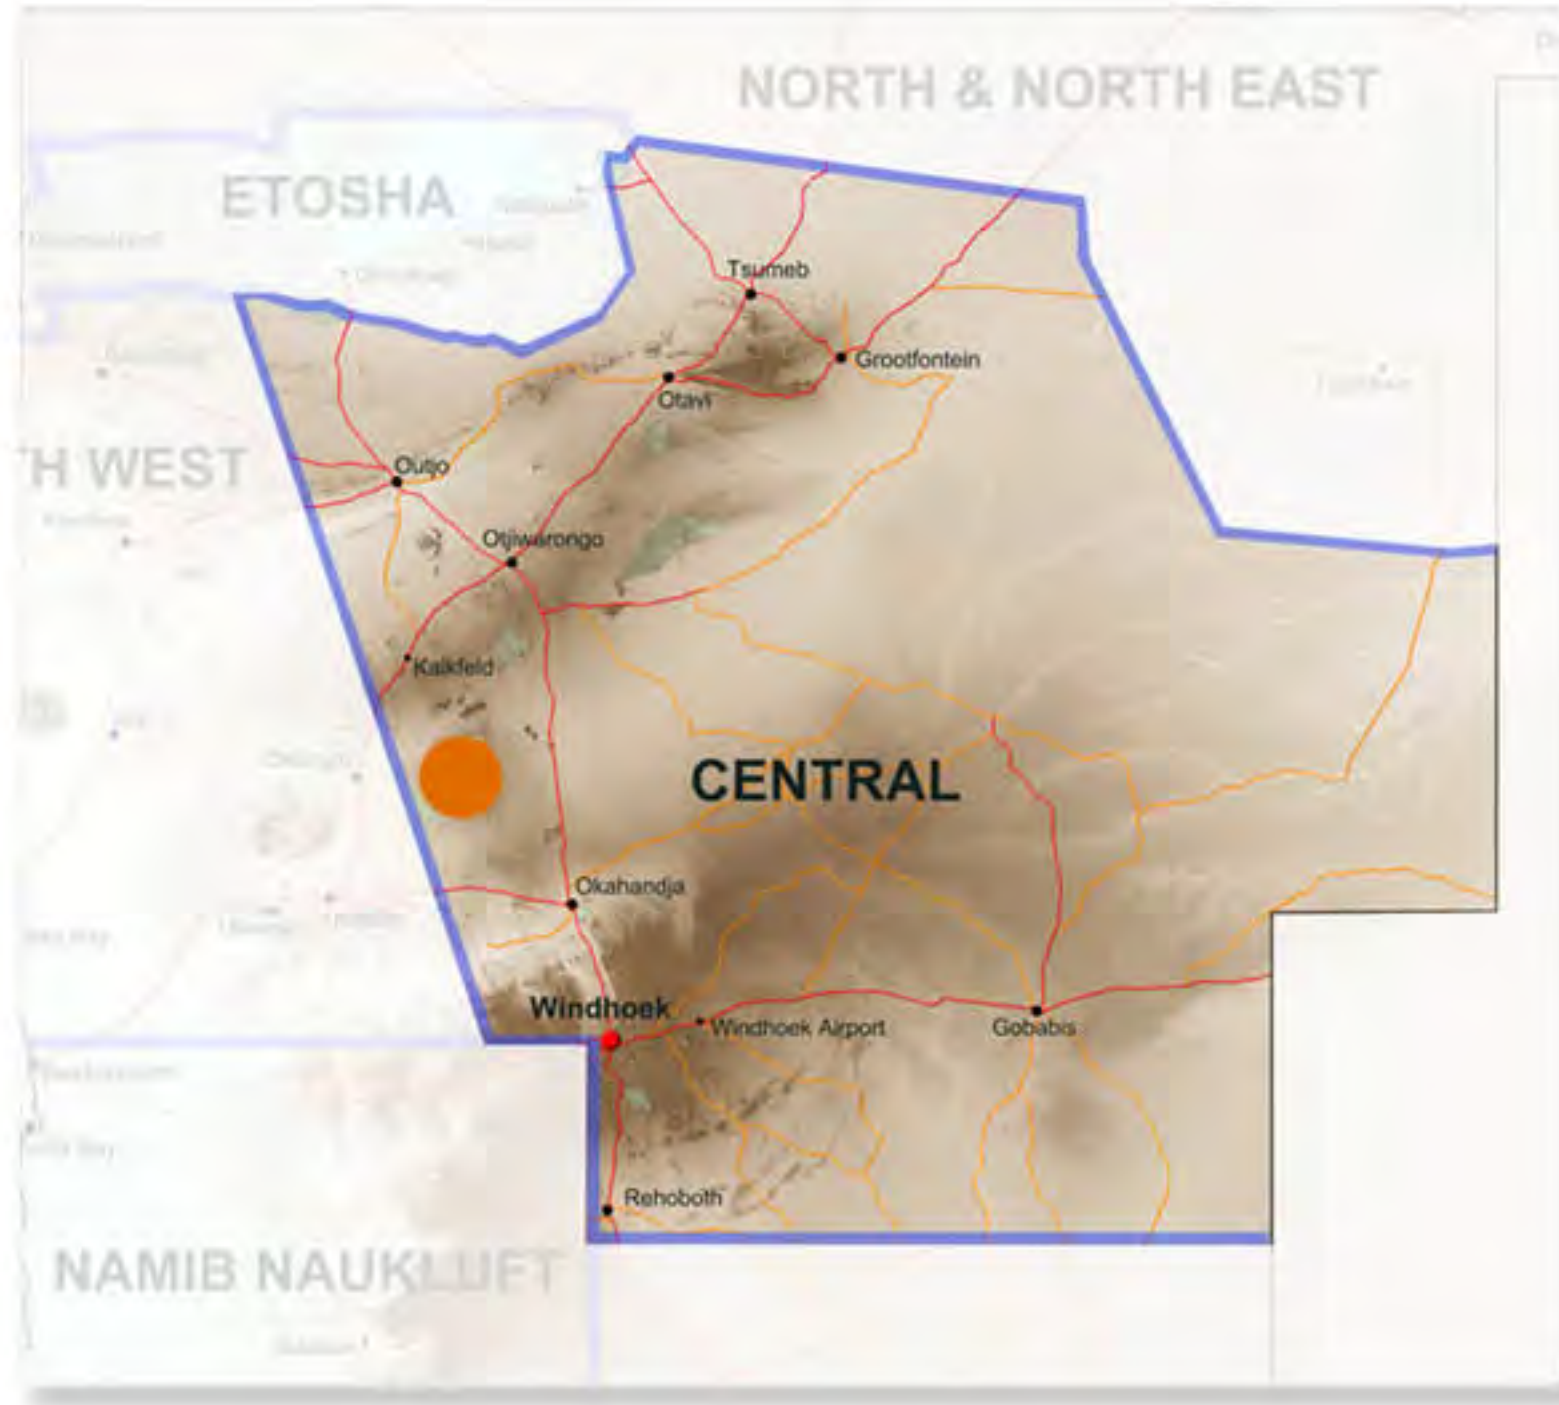

5. Central & Eastern Namibia

- **Photographic Highlights: Waterberg Plateau Park**
 - red sandstone cliffs & table mountain, lush vegetation & rare wildlife species on plateau (sable & roan antelope, white rhino & buffalo)
 - baboons, mongoose & dik-dik visiting camp
 - >> 2x4 to resort; guided game drives on top of plateau
 - >> entrance gate with opening / closing hours at sunrise to sunset
 - >> hiking trails at foot and on top of plateau (be aware of snakes)
 - >> photograph on foot or from car on game drives
 - >> **best time: all year; in rainy season little game visible**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

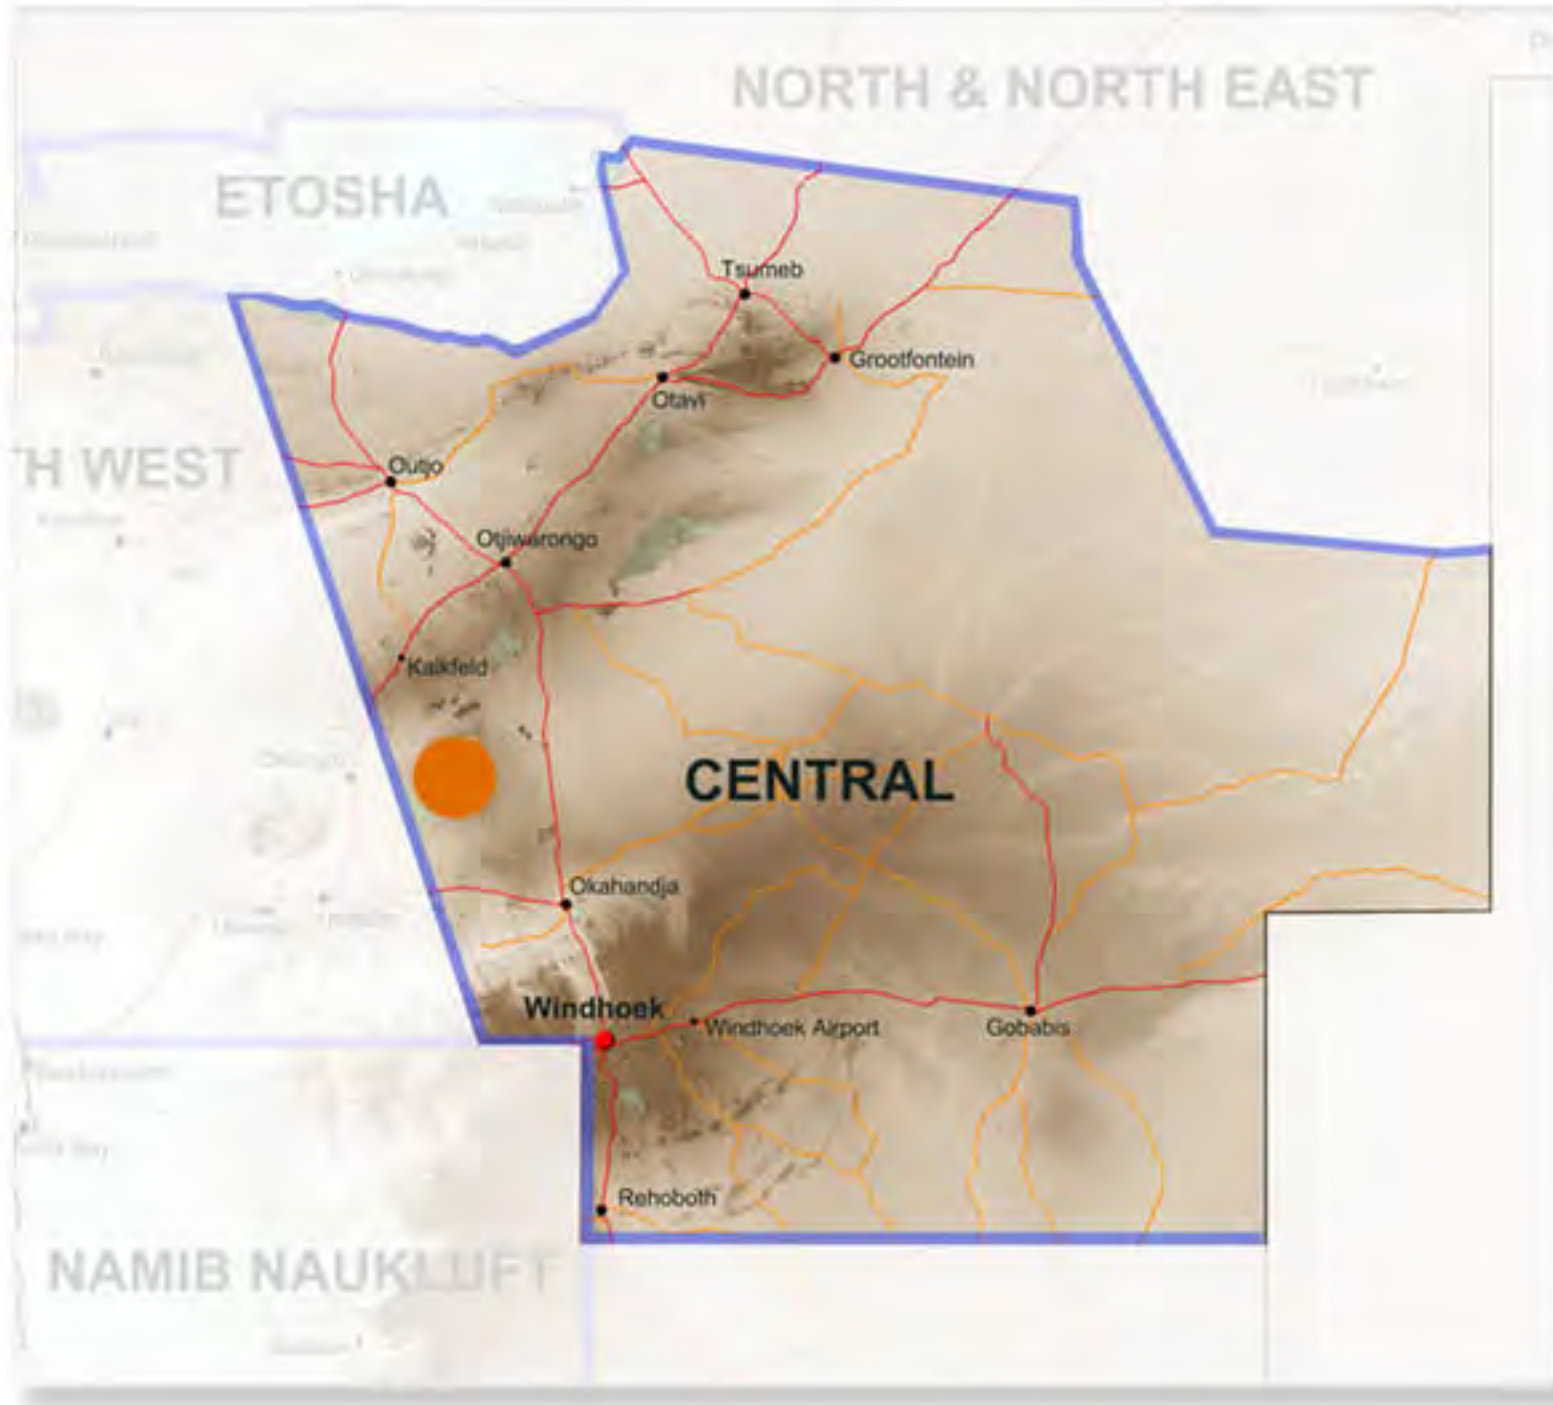

5. Central & Eastern Namibia

- Additional Photographic Highlights:
- Erindi Private Game Reserve

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

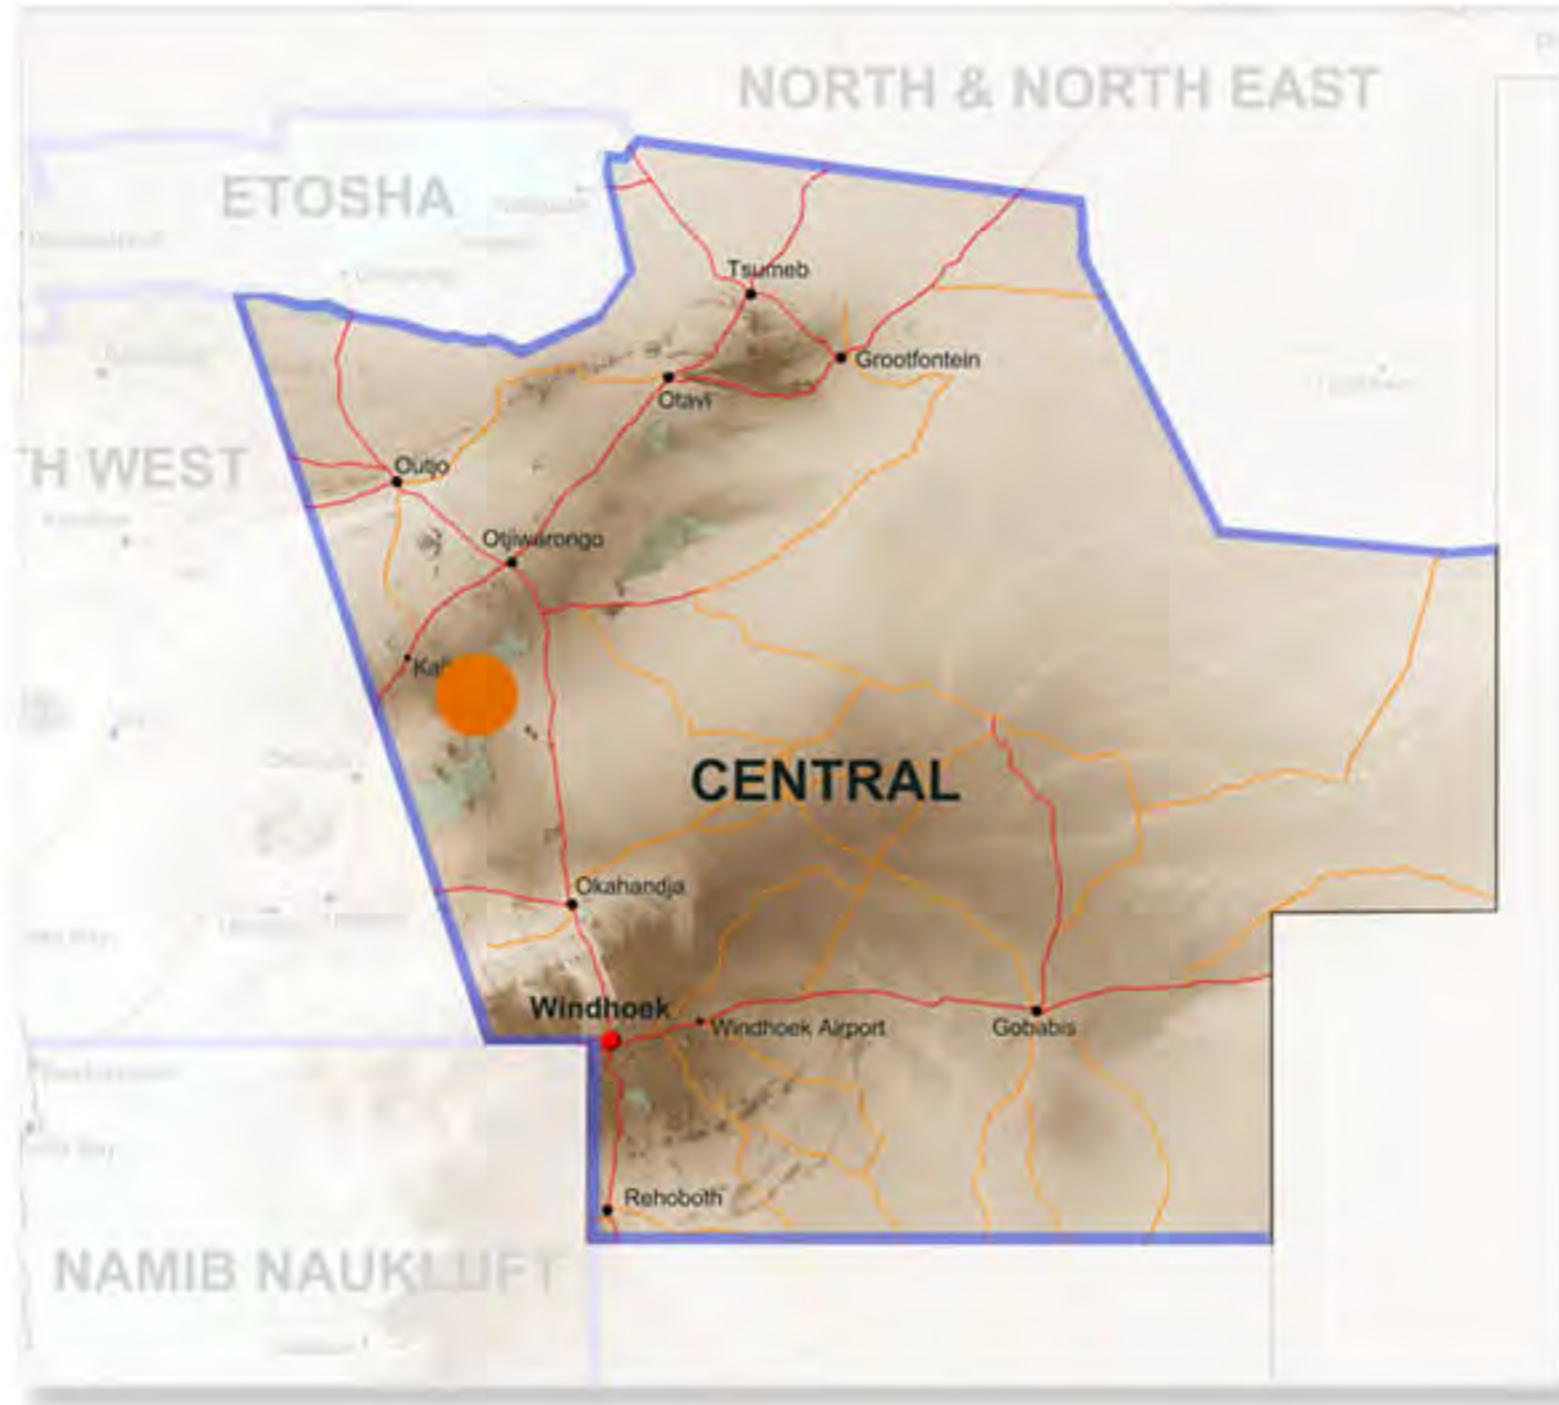

5. Central & Eastern Namibia

- Additional Photographic Highlights:
- Erindi Private Game Reserve
 - >> atmosphere of true nature reserve
 - >> many game species re-introduced, including elephants, rhino & lion

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

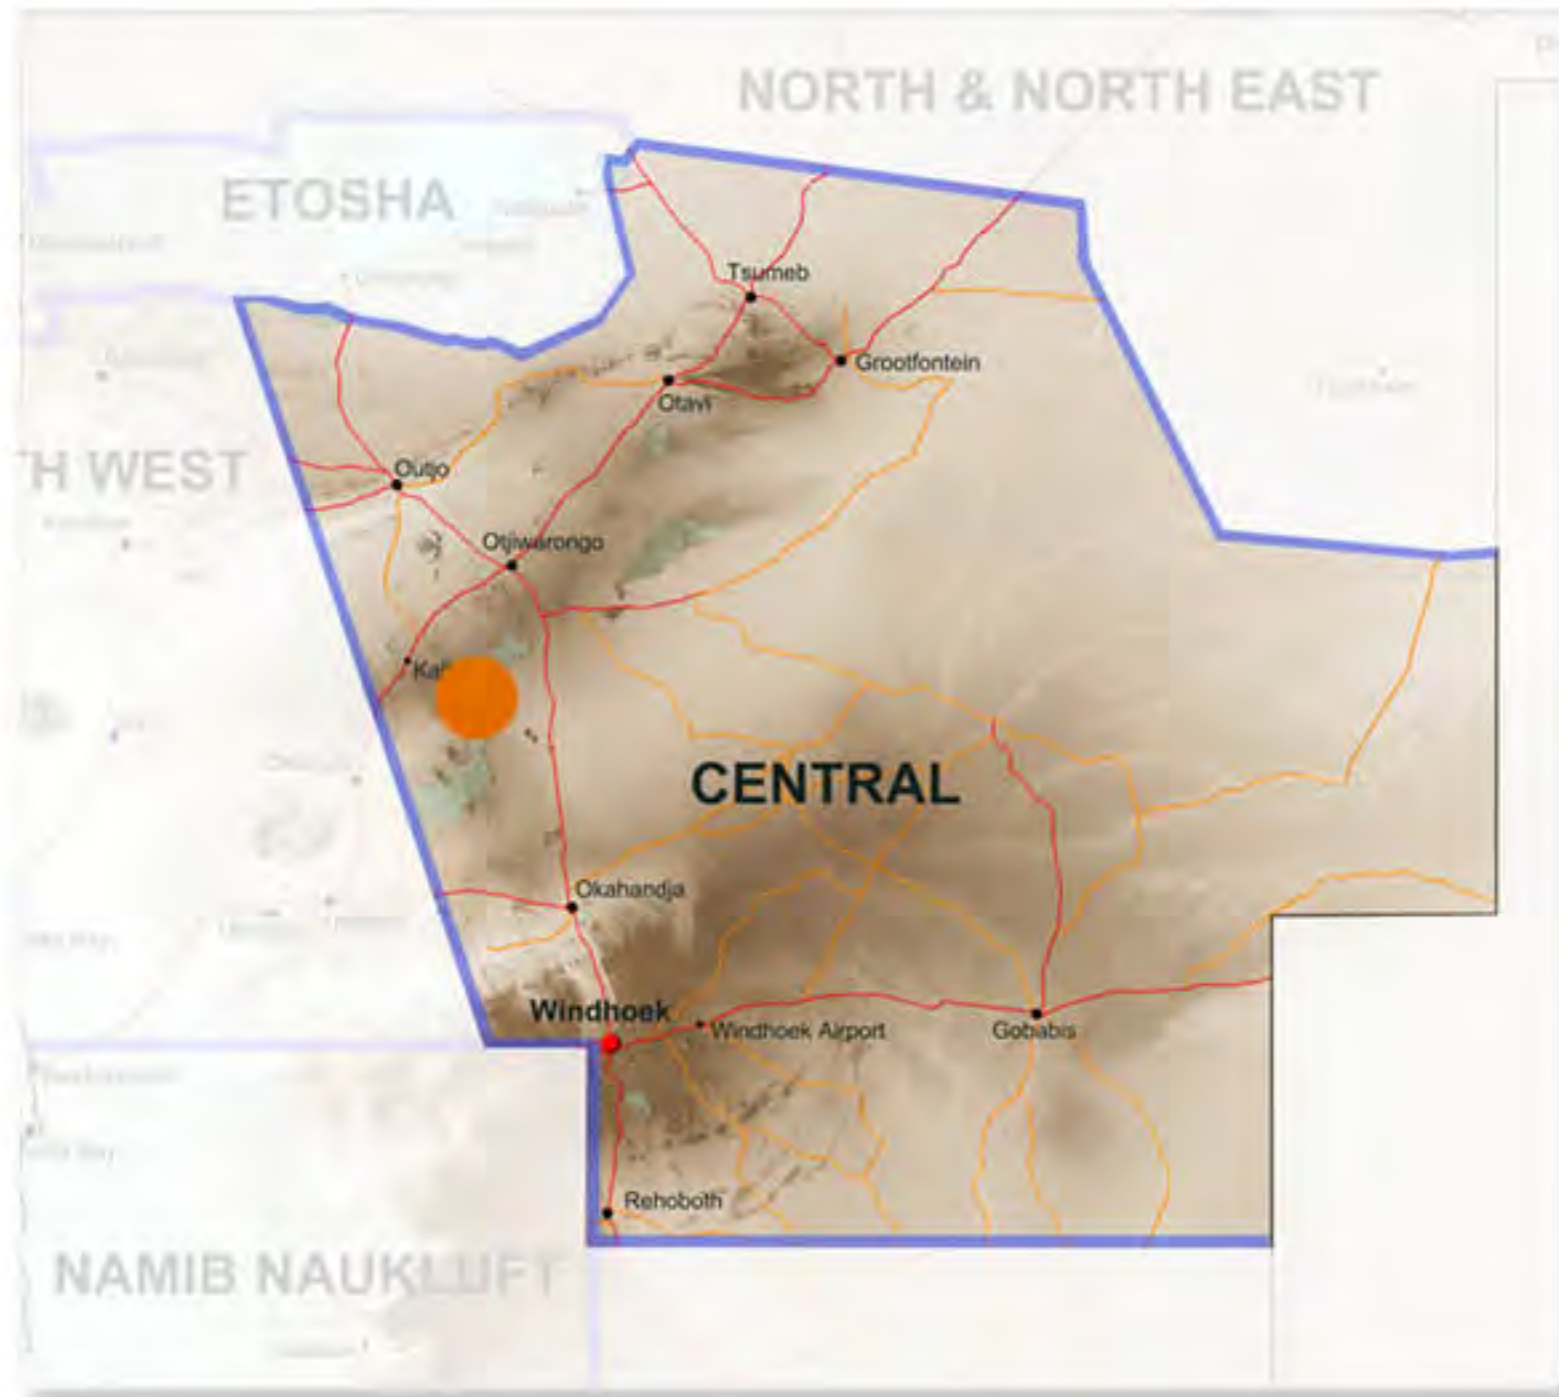

5. Central & Eastern Namibia

- Additional Photographic Highlights:
- Erindi Private Game Reserve
 - >> atmosphere of true nature reserve
 - >> many game species re-introduced, including elephants, rhino & lion
- Mount Etjo Safari Lodge

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

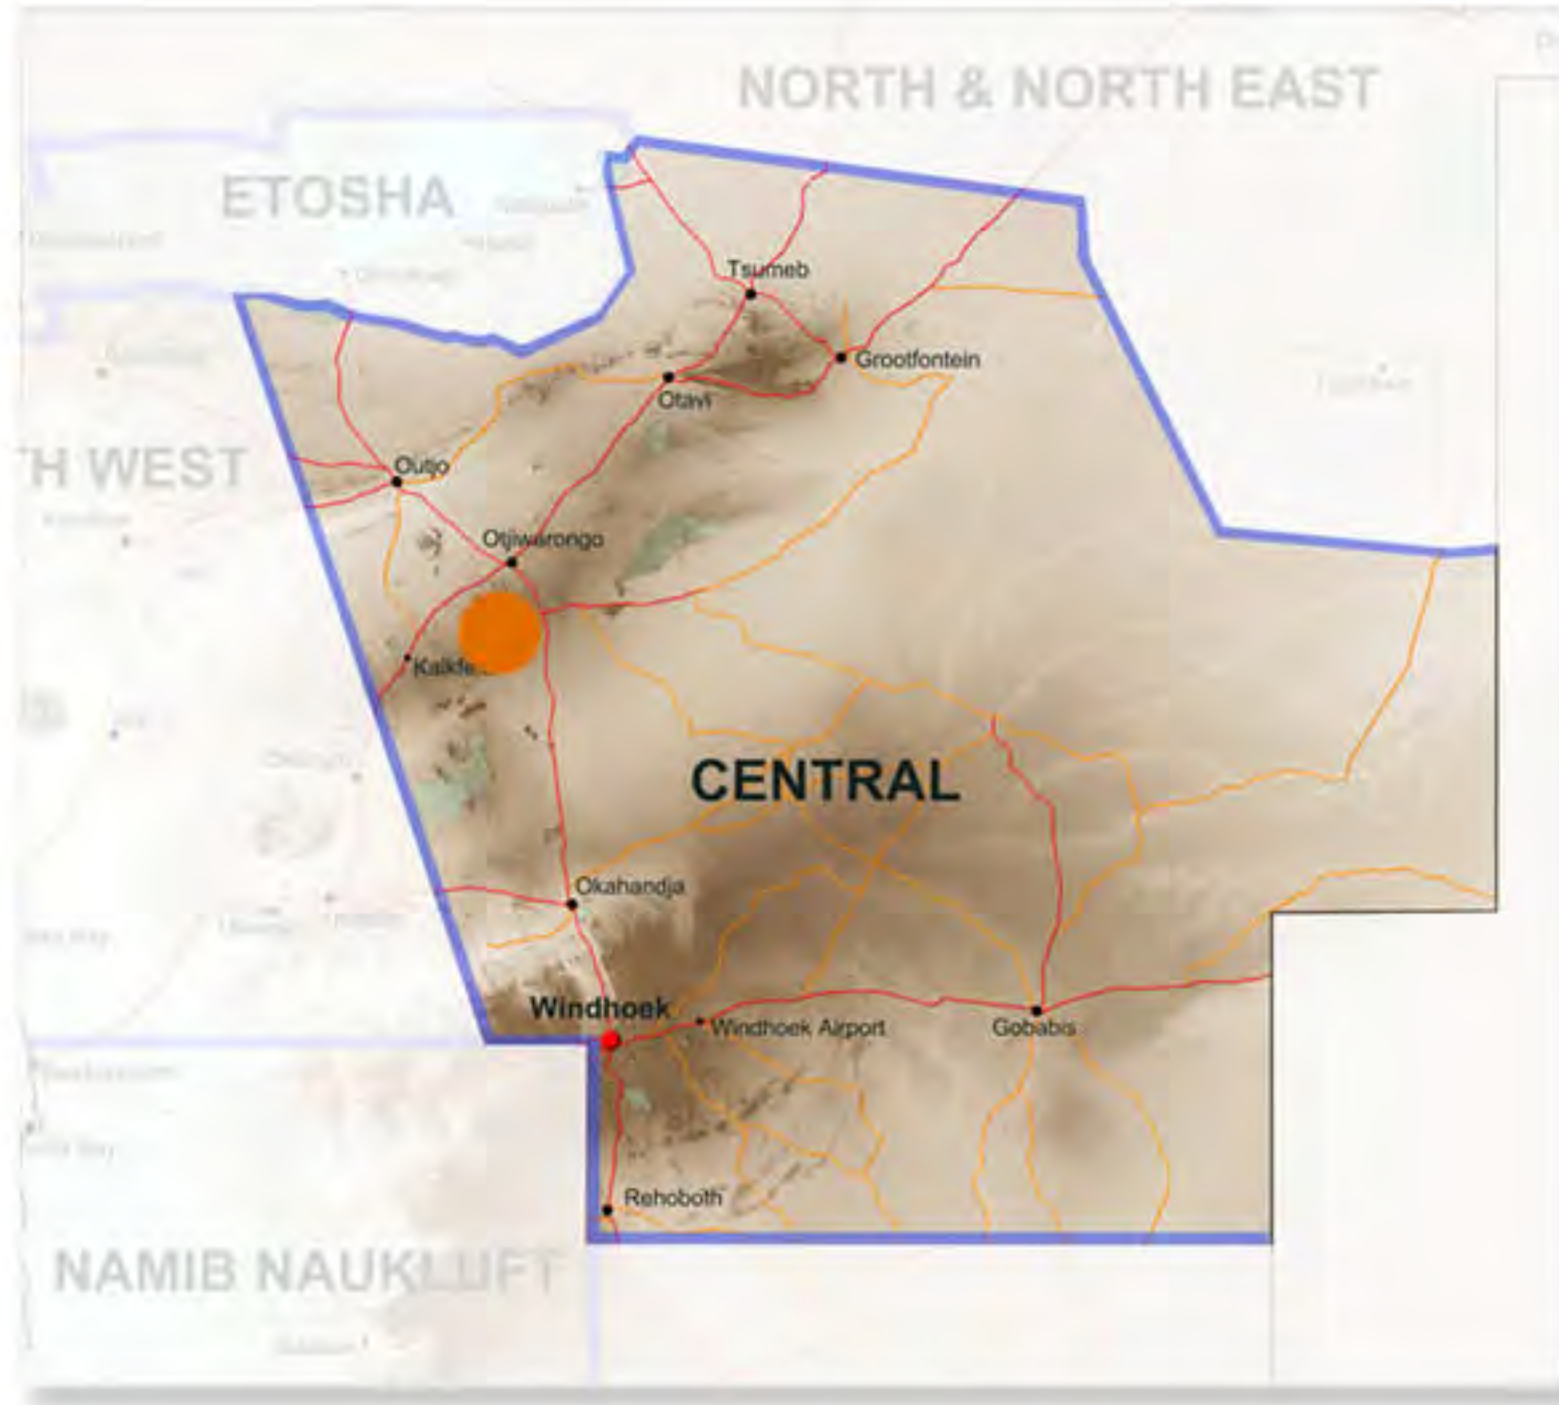

5. Central & Eastern Namibia

- **Additional Photographic Highlights:**
- Erindi Private Game Reserve
 - >> atmosphere of true nature reserve
 - >> many game species re-introduced, including elephants, rhino & lion
- Mount Etjo Safari Lodge
 - >> less natural behavior: animals are being fed
 - >> very tame animals; closer encounters possible
 - >> imported wildlife species
 - >> wildlife photography: portraits & head-shots possible

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

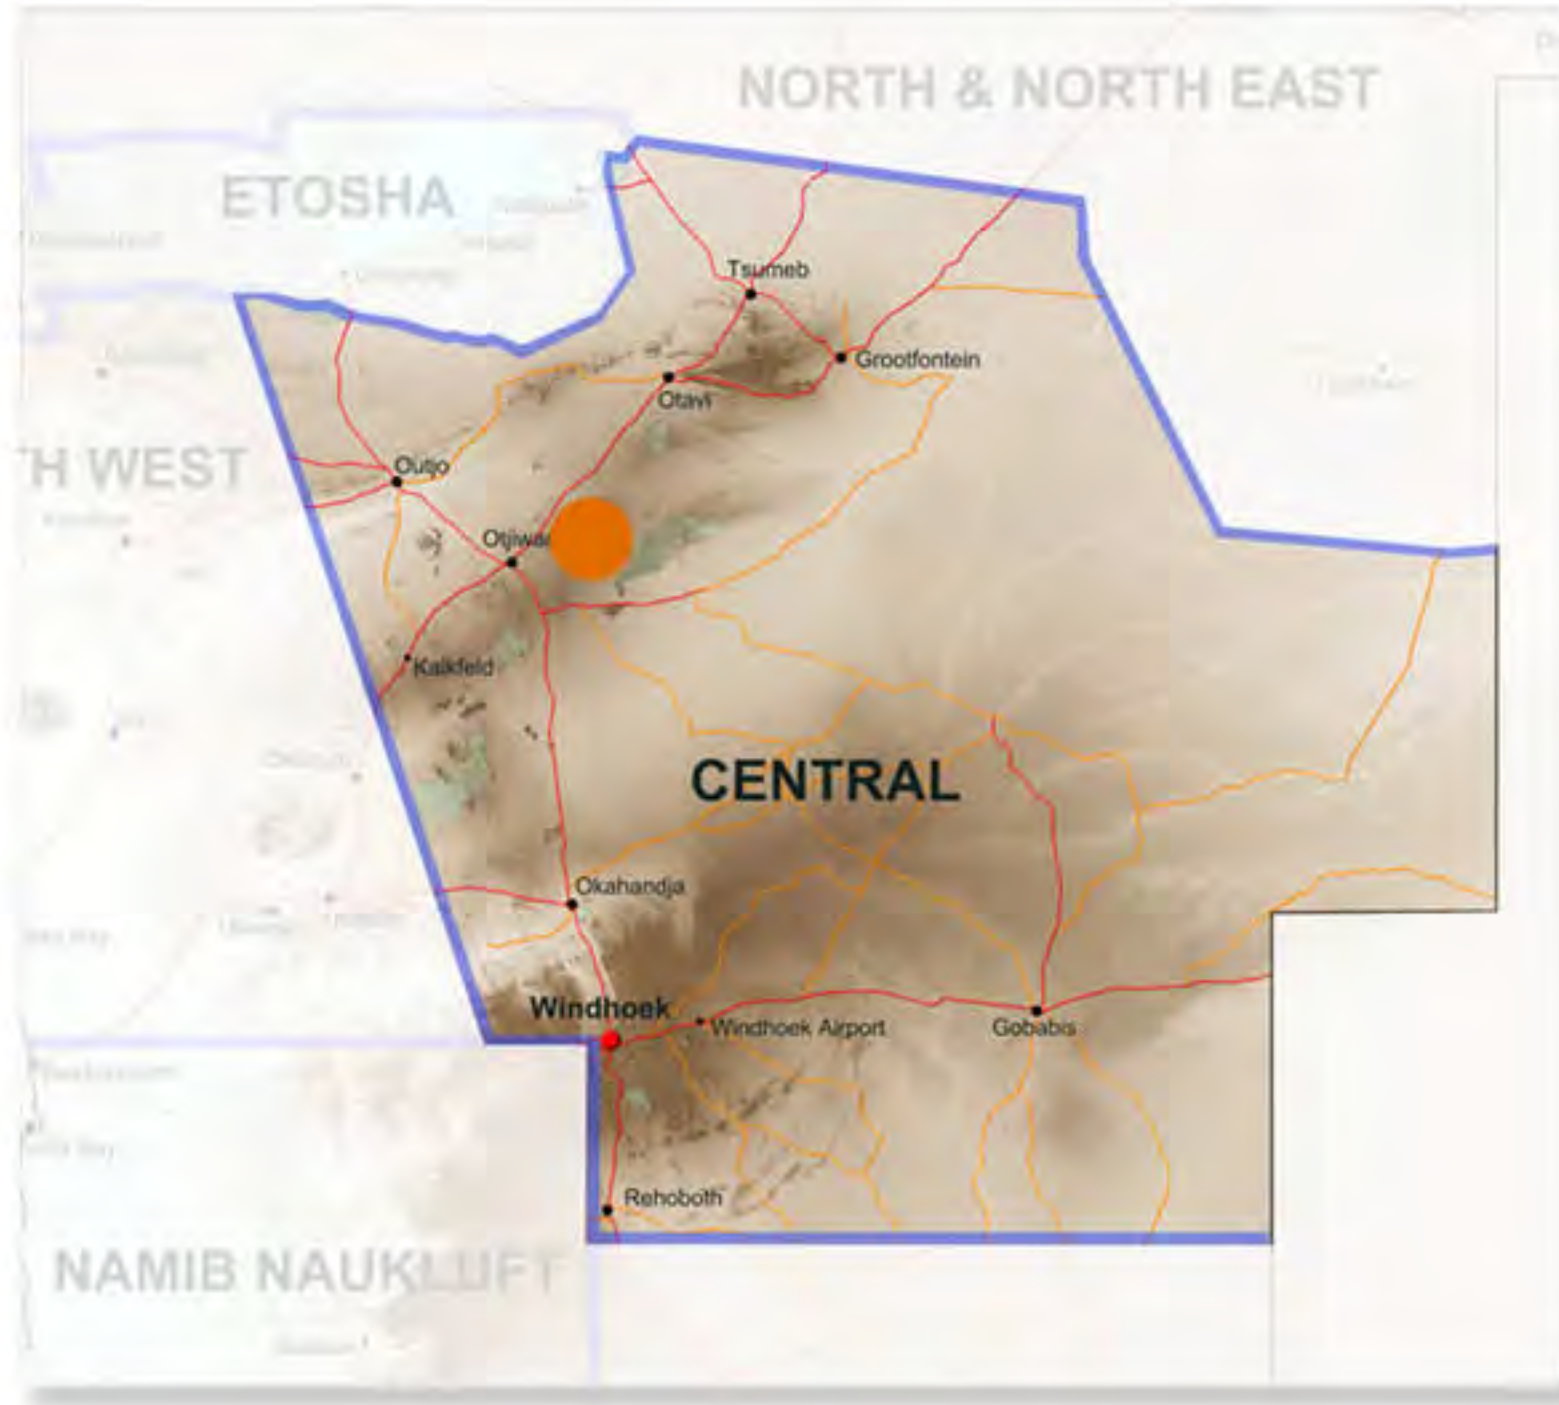

5. Central & Eastern Namibia

- Wildlife foundations & private game reserves:
- **Okonjima Nature Reserve (Africat Foundation)**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

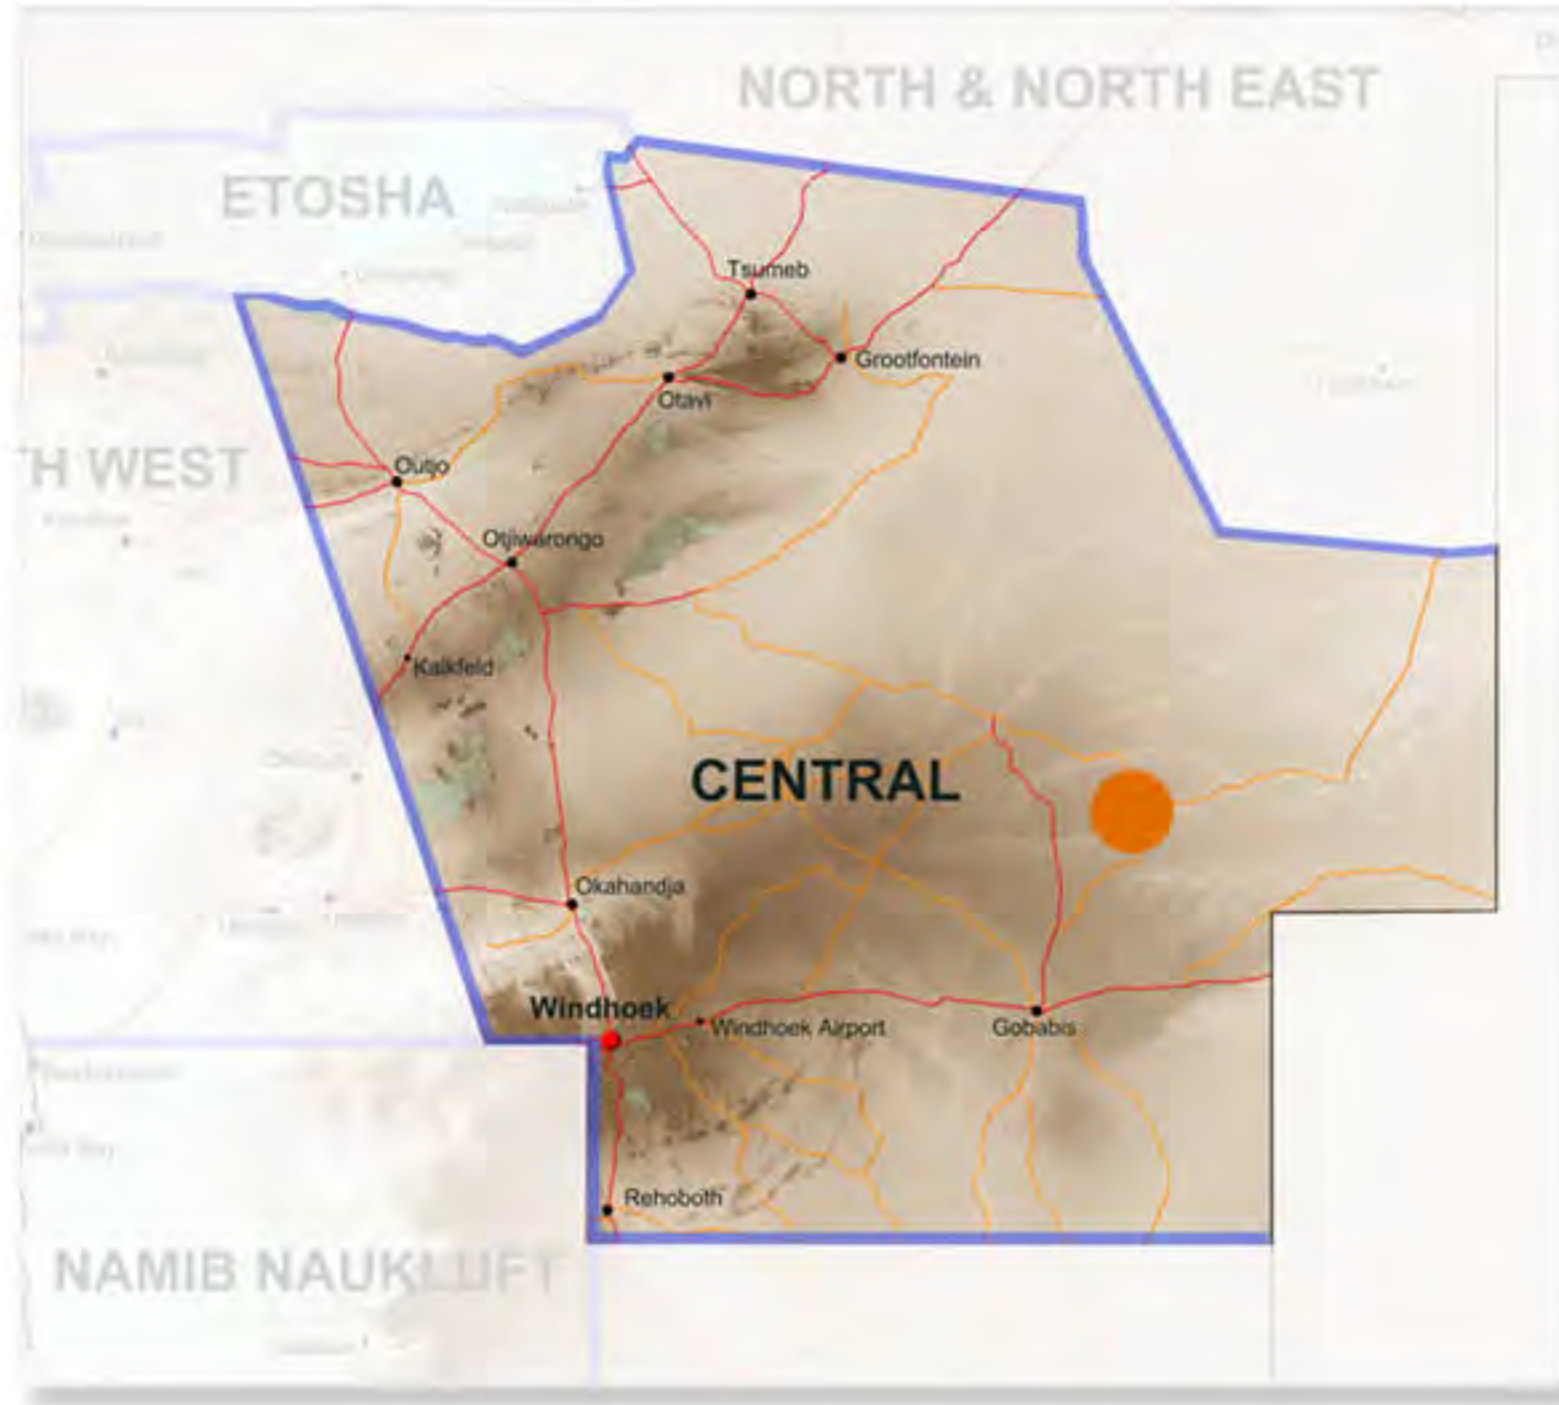

5. Central & Eastern Namibia

- Wildlife foundations & private game reserves:
- Okonjima Nature Reserve (Africat Foundation)
- Cheetah Conservation Fund

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

5. Central & Eastern Namibia

- Wildlife foundations & private game reserves:
- Okonjima Nature Reserve (Africat Foundation)
- Cheetah Conservation Fund
- **Harnass Wildlife Foundation**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

5. Central & Eastern Namibia

- Wildlife foundations & private game reserves:
>> visit, learn about & photograph rescued animals in larger enclosures

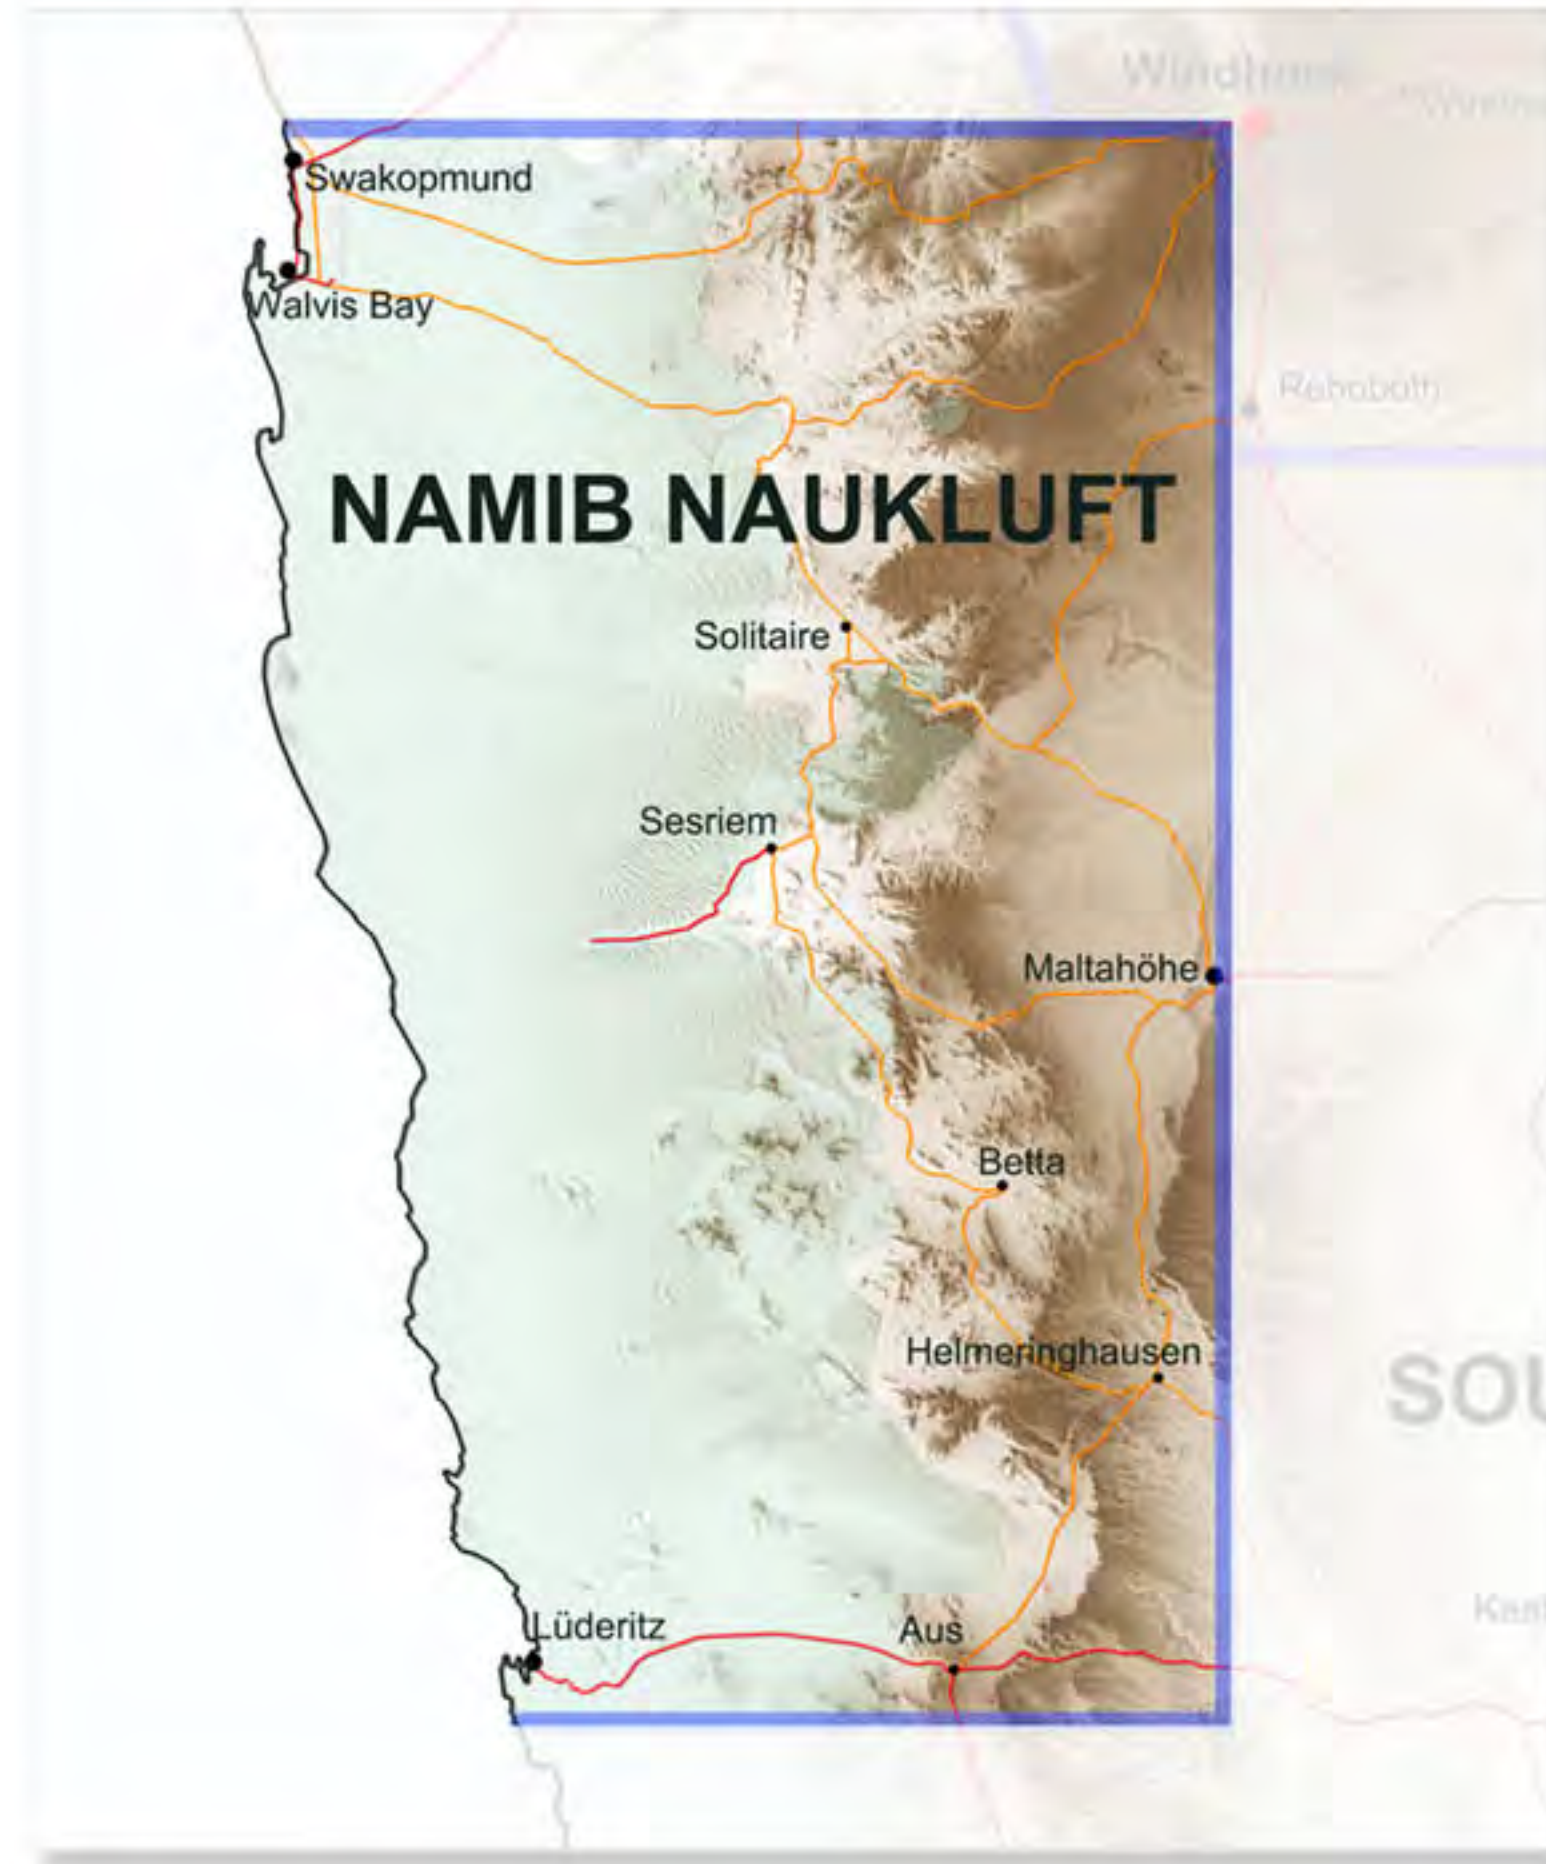

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

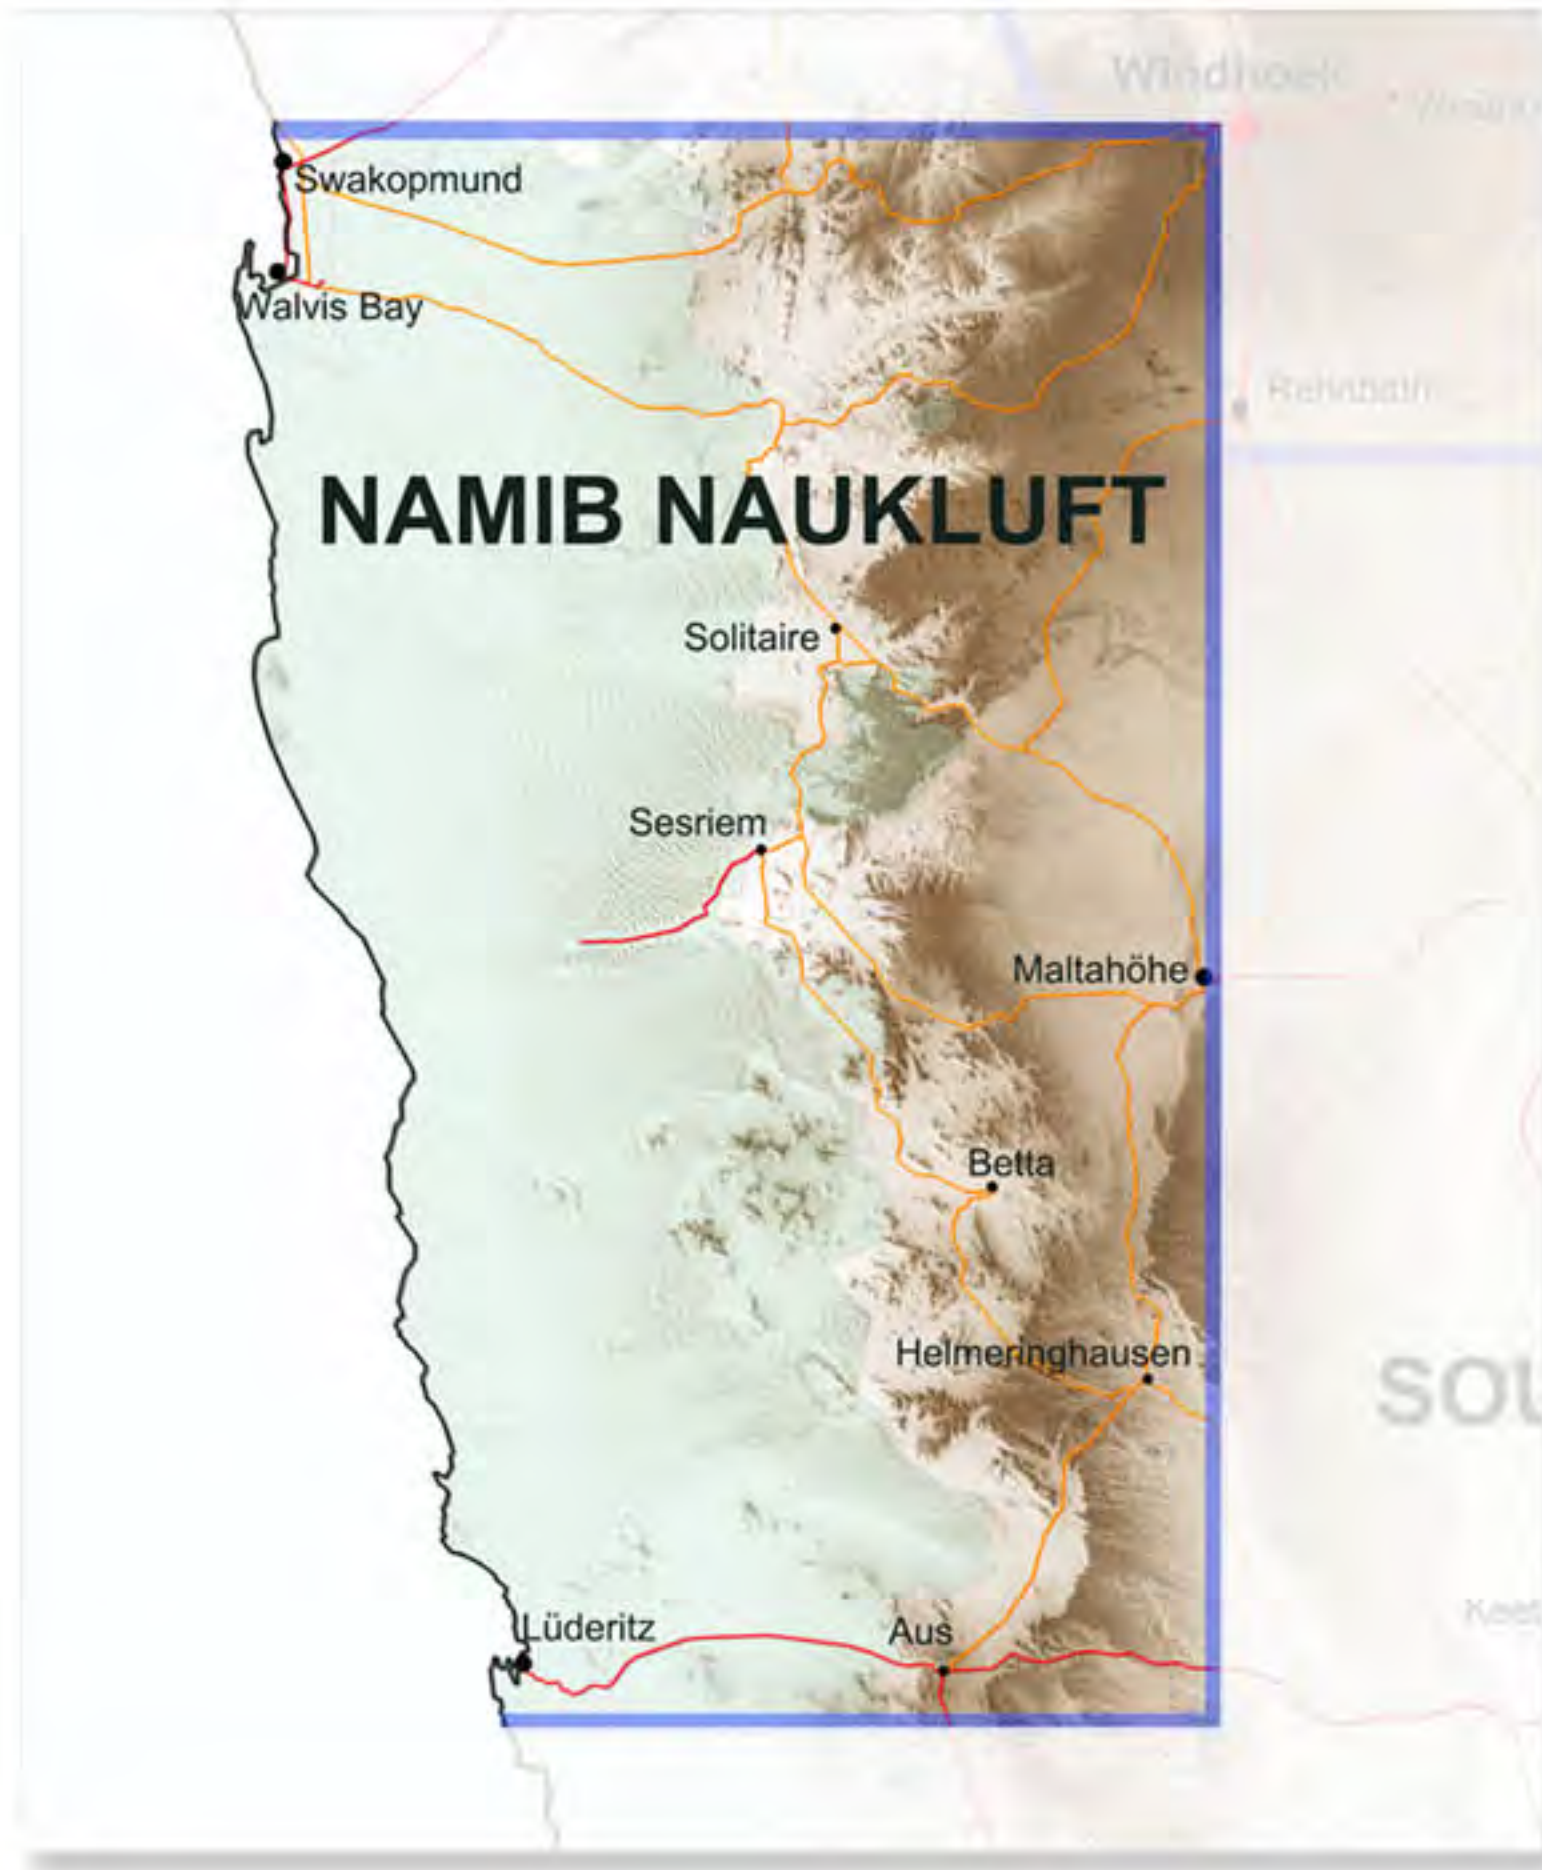

6. The Namib Naukluft & surrounding areas

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

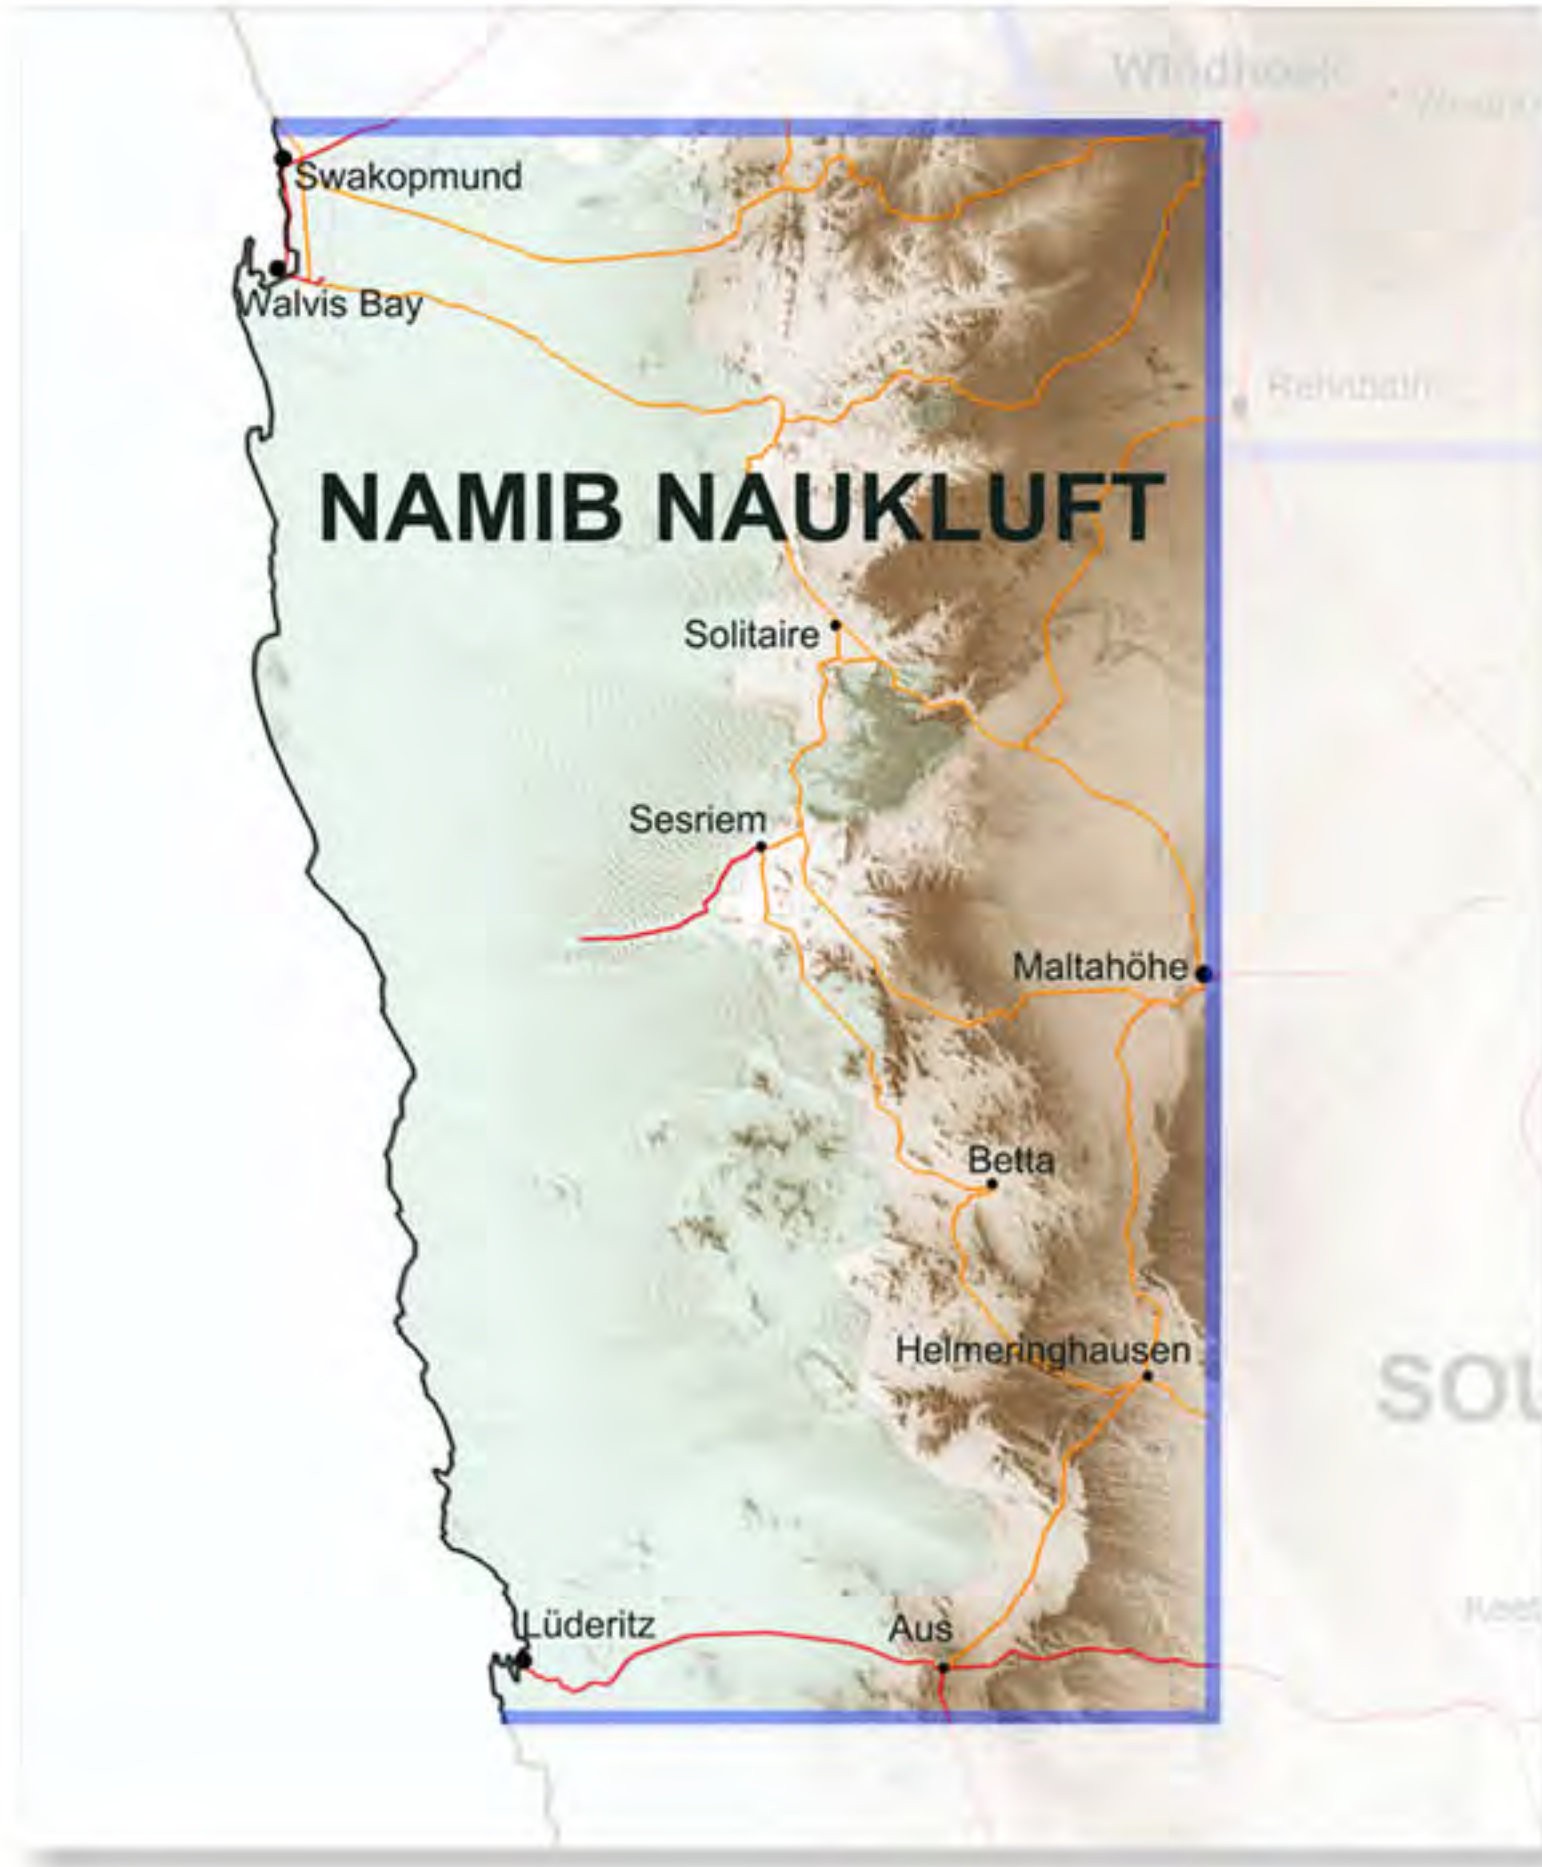

- Essence of the Namib Naukluft
- Largest national park in Namibia

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

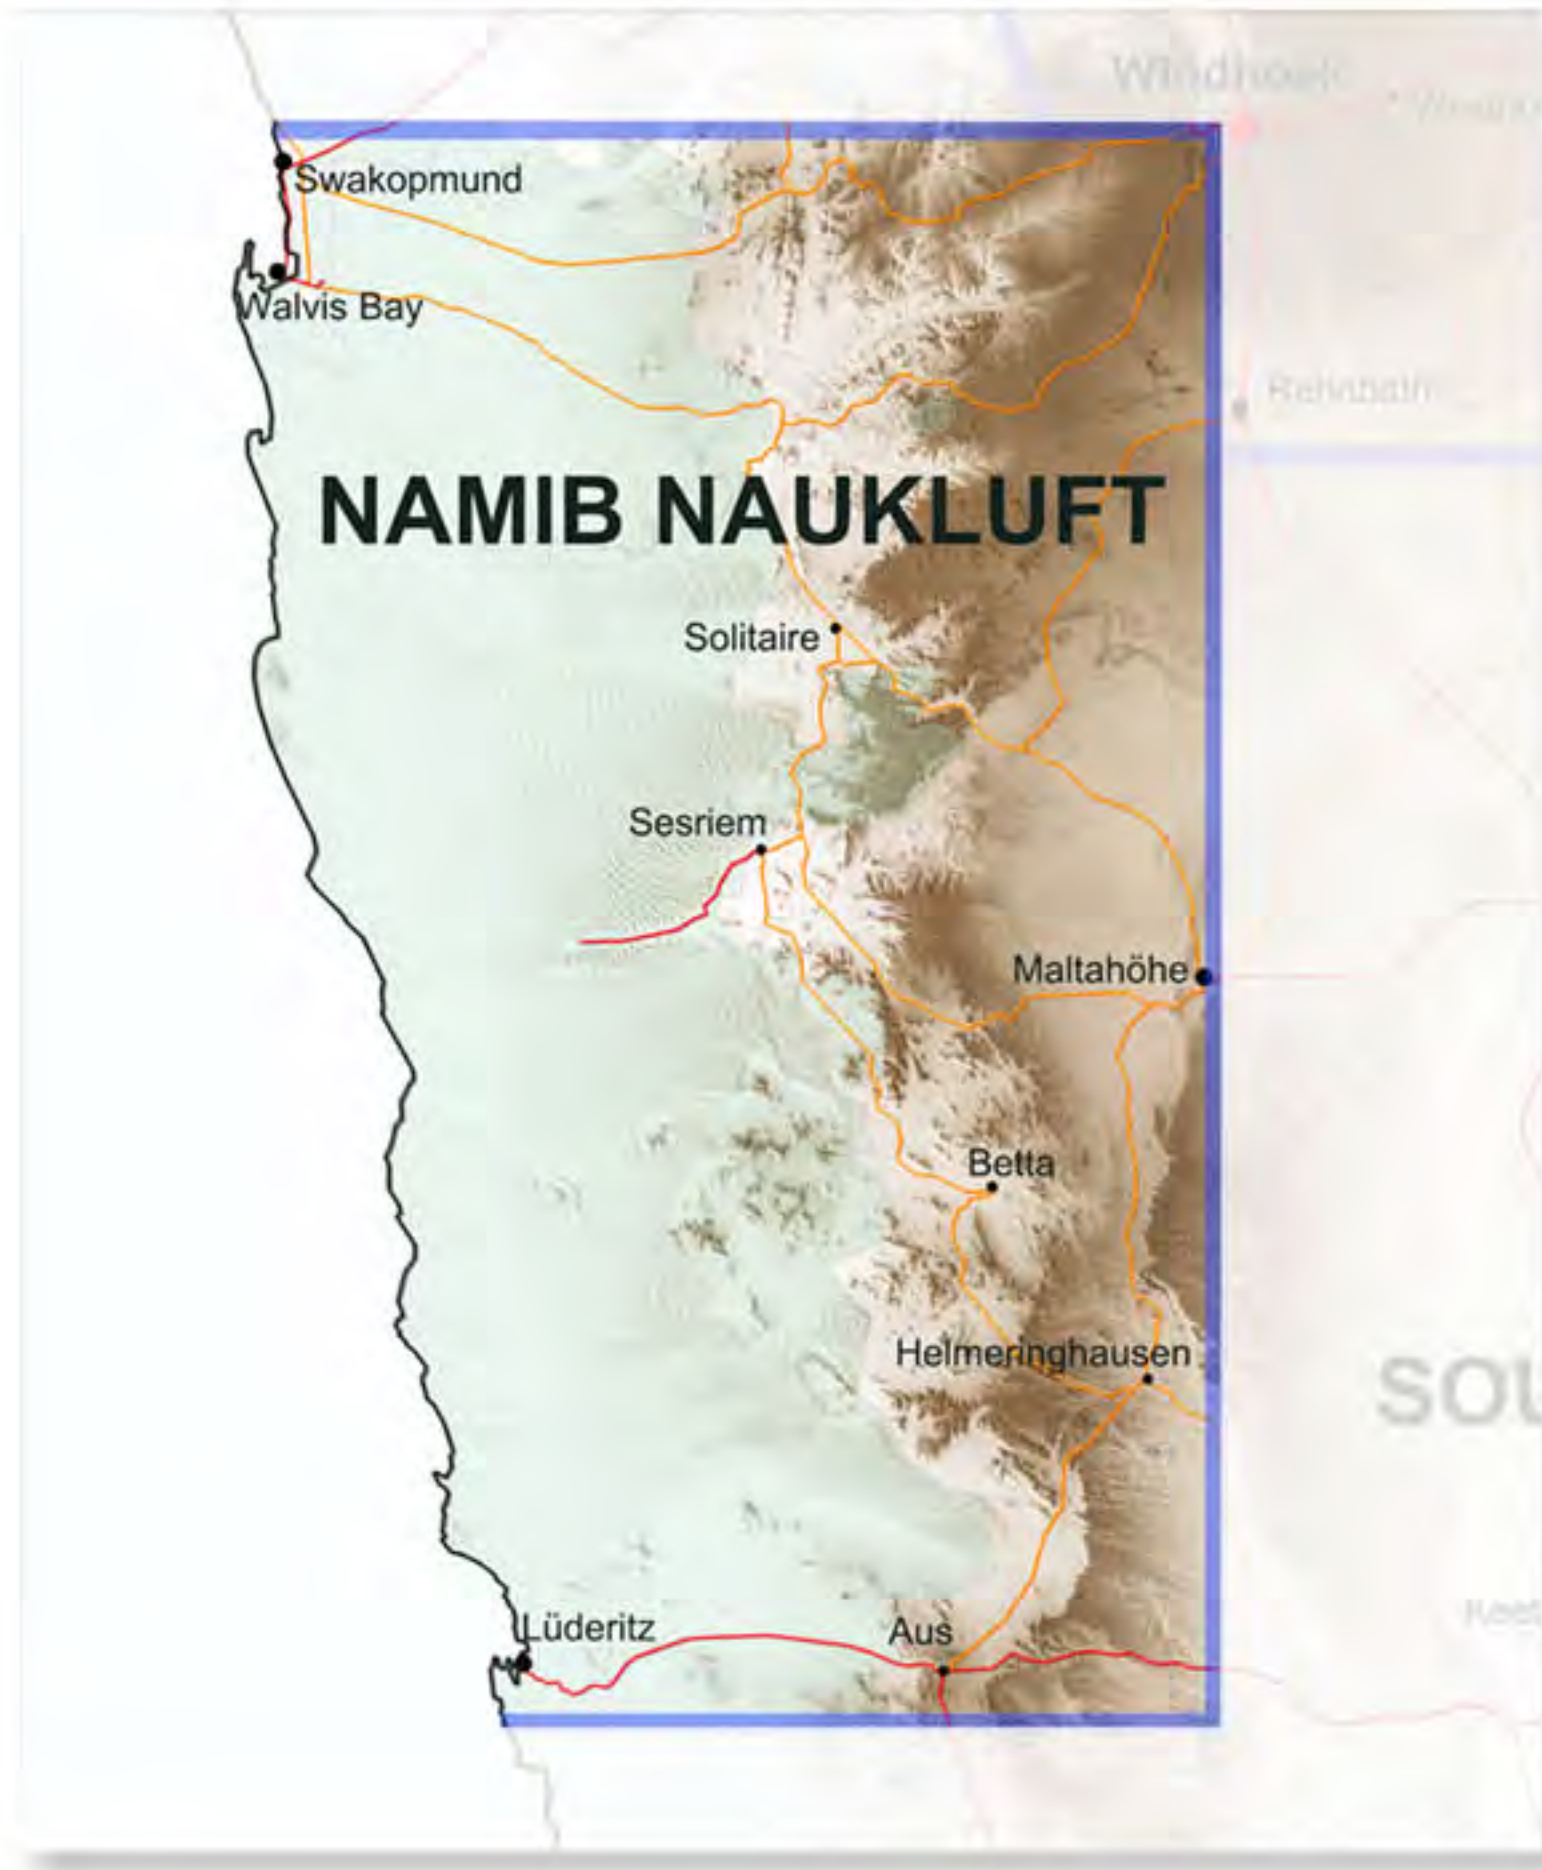

6. The Namib Naukluft & surrounding areas

- Essence of the Namib Naukluft
 - Largest national park in Namibia
 - Vast dune sea & extended mountain ranges & escarpment

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

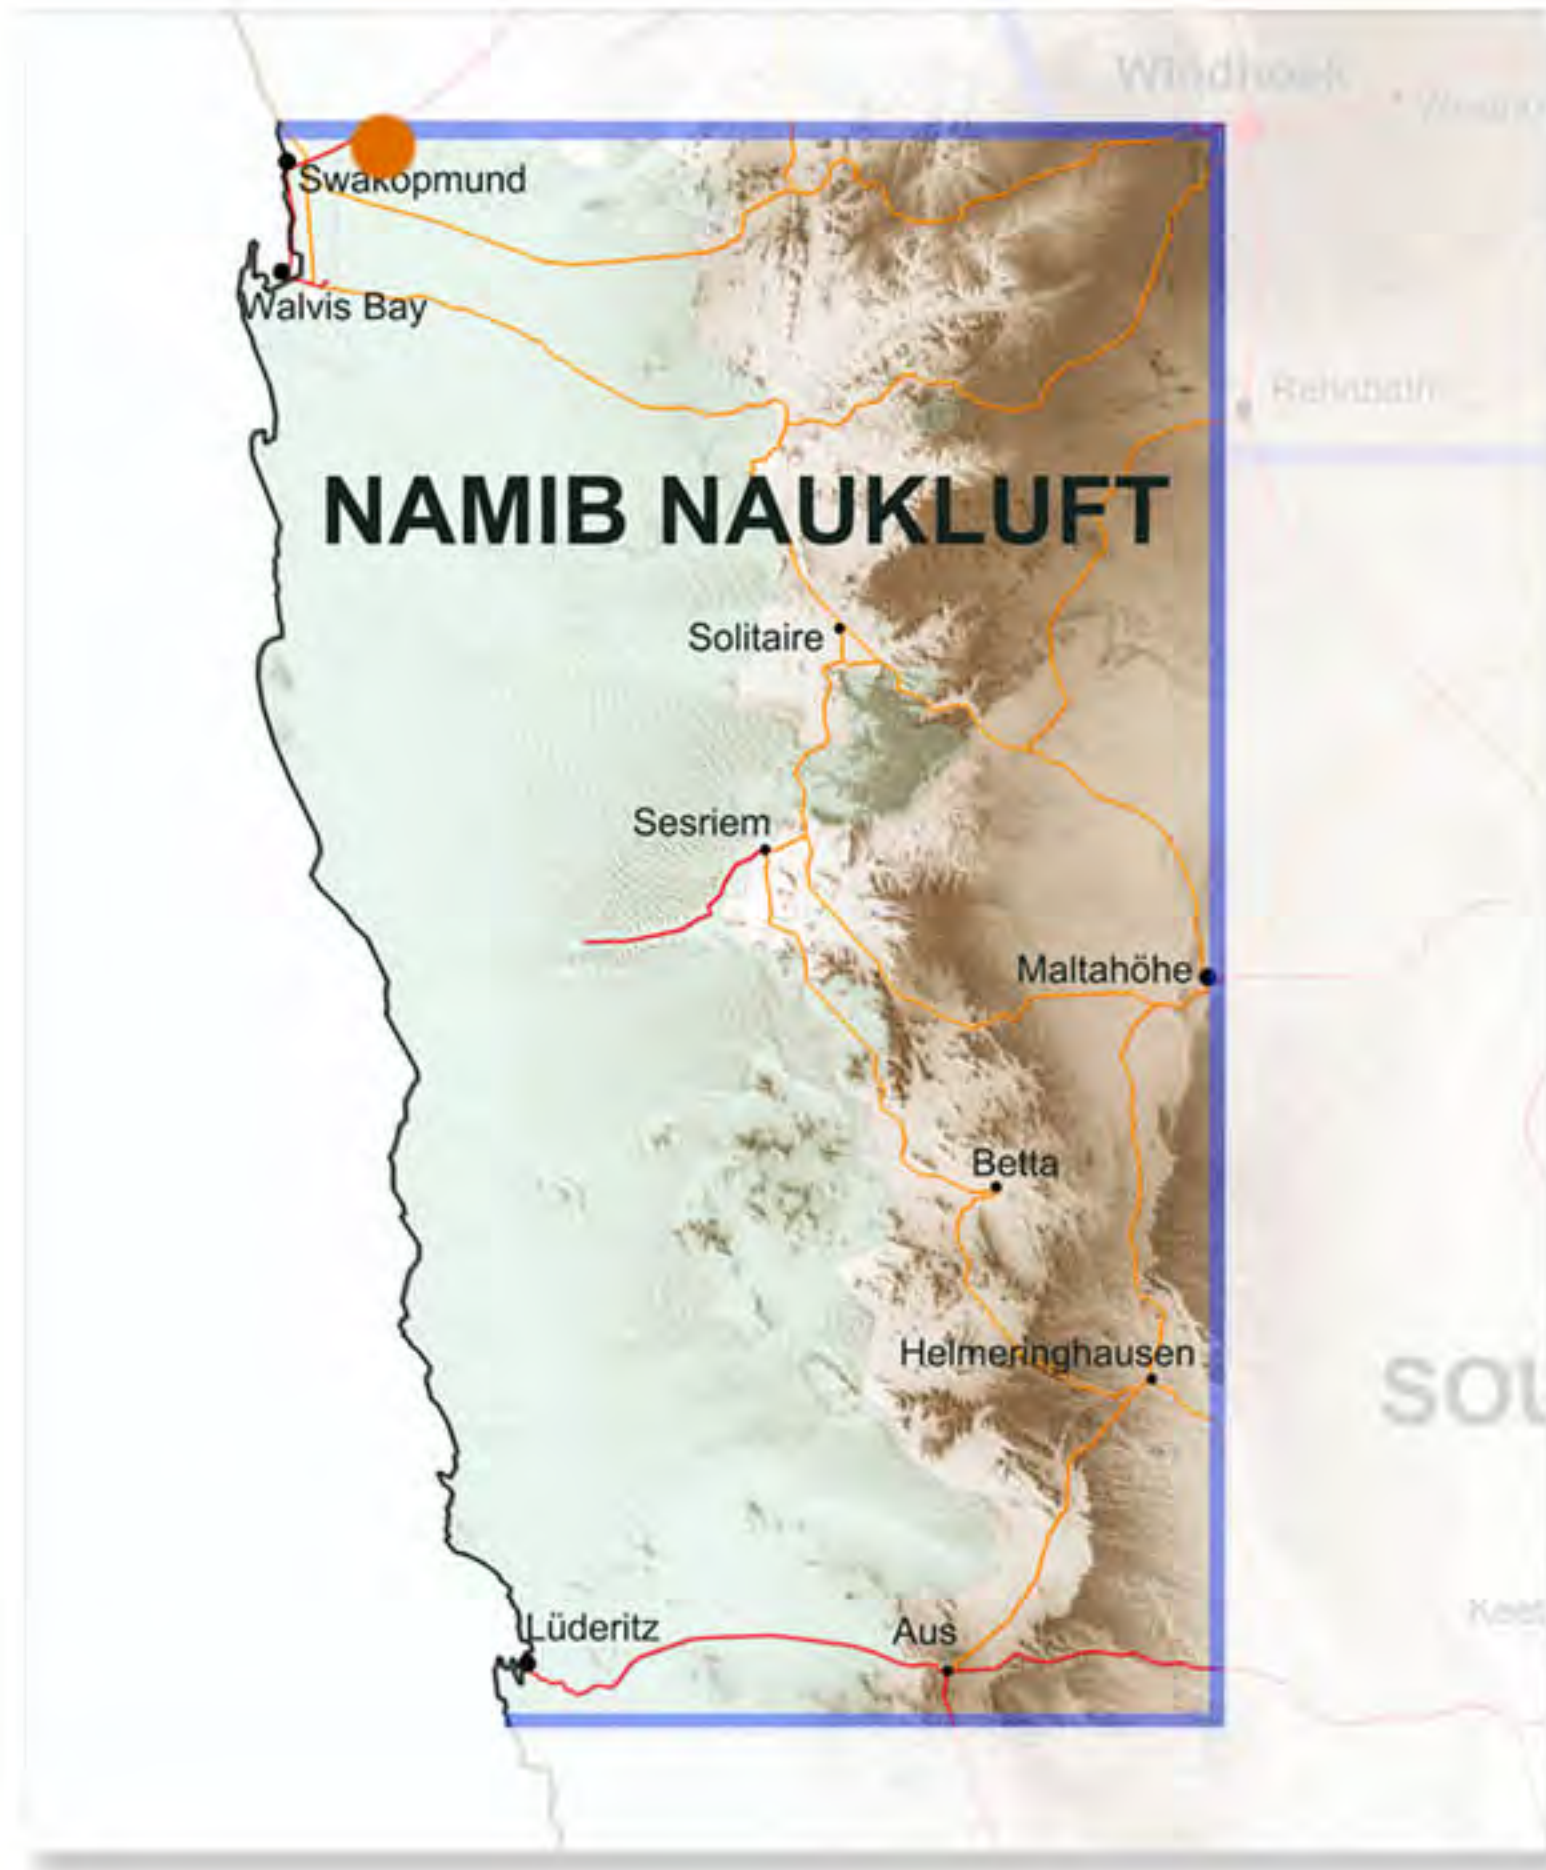

- **Essence of the Namib Naukluft**
 - Largest national park in Namibia
 - Vast dune sea & extended mountain ranges & escarpment
 - The dune sea is an extreme desert, and the plains & mountains mostly a desert to semi-desert environment

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Moonlandscape
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Moonlandscape
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Moonlandscape
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
- intersected by the Swakopmund and Khan rivers

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Moonlandscape
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
- intersected by the Swakopmund and Khan rivers
- **Welwitschia mirabilis plants found on the surrounding plains**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- **Moonlandscape**
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
- intersected by the Swakopmund and Khan rivers
- Welwitschia mirabilis plants found on the surrounding plains
- **mysterious rocky landscape in heavy coastal fog**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Moonlandscape
 - barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
 - intersected by the Swakopmund and Khan rivers
 - Welwitschia mirabilis plants found on the surrounding plains
 - mysterious rocky landscape in heavy coastal fog
- >> Permit required (at Ministry of Environment & Tourism (MET) offices)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Moonlandscape
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
- intersected by the Swakopmund and Khan rivers
- Welwitschia mirabilis plants found on the surrounding plains
- mysterious rocky landscape in heavy coastal fog
 - >> Permit required (at Ministry of Environment & Tourism (MET) offices)
 - >> 2x4 car, but stay on the marked roads; day trip from Swakopmund/Walvis Bay

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- **Moonlandscape**
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
- intersected by the Swakopmund and Khan rivers
- *Welwitschia mirabilis* plants found on the surrounding plains
- mysterious rocky landscape in heavy coastal fog
 - >> Permit required (at Ministry of Environment & Tourism (MET) offices)
 - >> 2x4 car, but stay on the marked roads; day trip from Swakopmund/Walvis Bay
 - >> **Photograph on foot anywhere**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

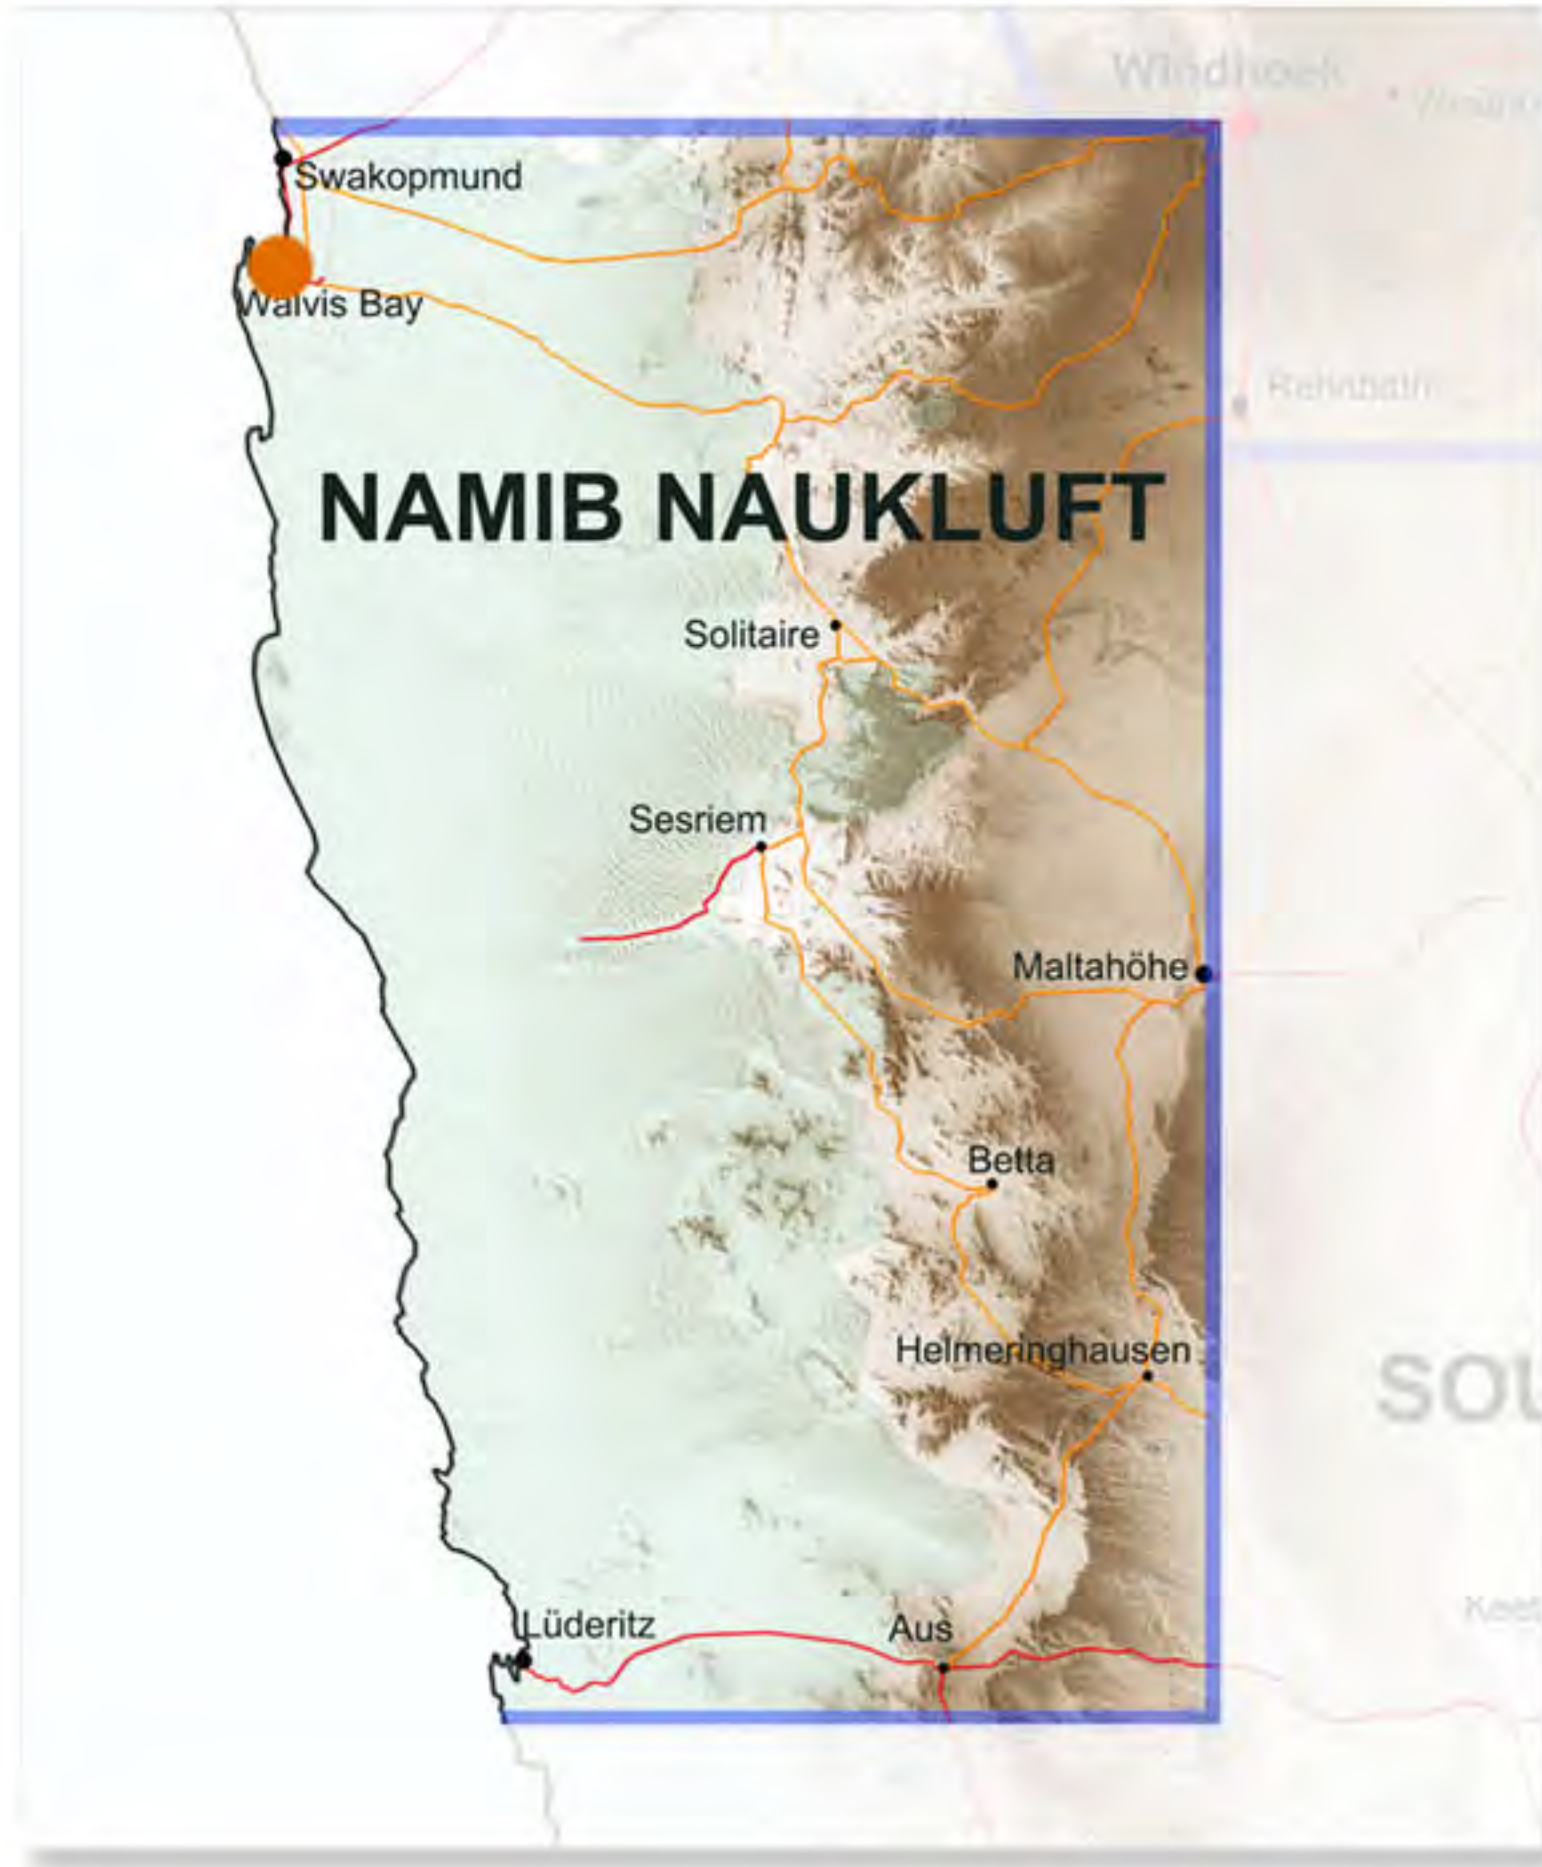

- **Moonlandscape**
- barren eroded rocky landscape (metamorphic rocks & dolerite dykes) resembling the moon or Mars
- intersected by the Swakopmund and Khan rivers
- *Welwitschia mirabilis* plants found on the surrounding plains
- mysterious rocky landscape in heavy coastal fog
 - >> Permit required (at Ministry of Environment & Tourism (MET) offices)
 - >> 2x4 car, but stay on the marked roads; day trip from Swakopmund/Walvis Bay
 - >> Photograph on foot anywhere
 - >> **Best time: all year**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)
- Cape fur seals from boat or canoe

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)
- Cape fur seals from boat or canoe
- many other coastal birds in large flocks

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)
- Cape fur seals from boat or canoe
- many other coastal birds in large flocks
- salt pans

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)
- Cape fur seals from boat or canoe
- many other coastal birds in large flocks
- salt pans

>> 2x4 car

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)
- Cape fur seals from boat or canoe
- many other coastal birds in large flocks
- salt pans

>> 2x4 car

>> photograph on foot & from car

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Walvis Bay lagoon
- flamingoes (greater & lesser)
- Cape fur seals from boat or canoe
- many other coastal birds in large flocks
- salt pans

>> 2x4 car

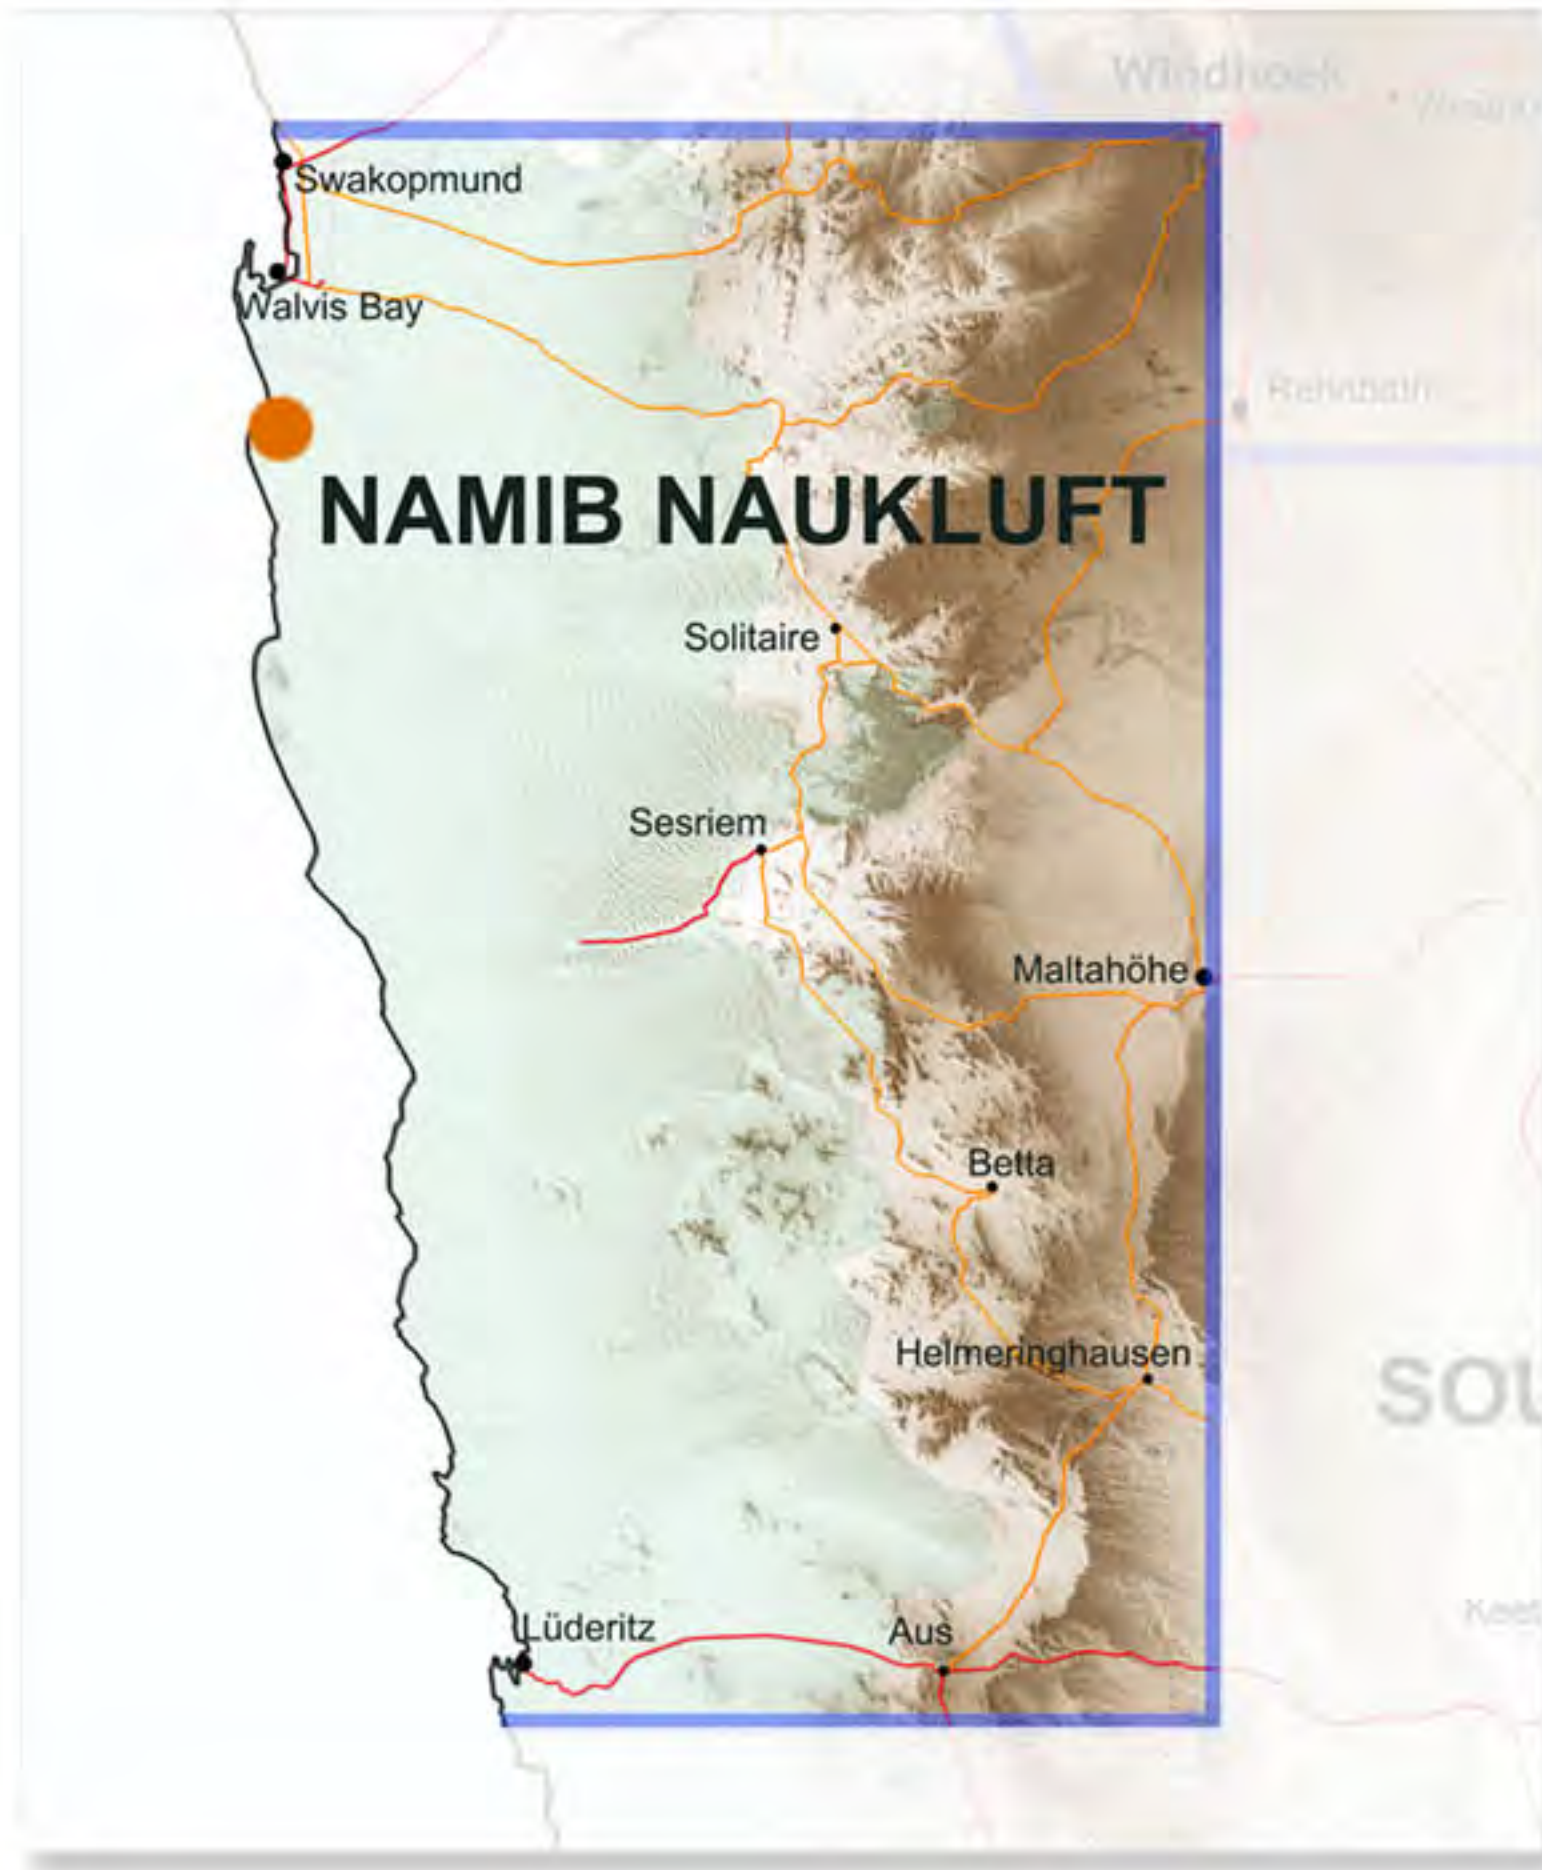

>> photograph on foot & from car

>> best time: all year (but flamingoes may be in lesser numbers during inland rainy season)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sandwich harbour
- important retreat for coastal water birds

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sandwich harbour
- important retreat for coastal water birds

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sandwich harbour
- important retreat for coastal water birds
- huge dunes of the Namib desert run straight into the Atlantic ocean

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sandwich harbour
- important retreat for coastal water birds
- huge dunes of the Namib desert run straight into the Atlantic ocean

>> self-drive with 4x4 car only (off-road driving experience recommended; permit required), or booked trip with tour company from Swakopmund & Walvis Bay

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sandwich harbour
- important retreat for coastal water birds
- huge dunes of the Namib desert run straight into the Atlantic ocean

>> self-drive with 4x4 car only (off-road driving experience recommended; permit required), or booked trip with tour company from Swakopmund & Walvis Bay

>> photograph on foot

6. The Namib Naukluft & surrounding areas

- Sandwich harbour
- important retreat for coastal water birds
- huge dunes of the Namib desert run straight into the Atlantic ocean

>> self-drive with 4x4 car only (off-road driving experience recommended; permit required), or booked trip with tour company from Swakopmund & Walvis Bay

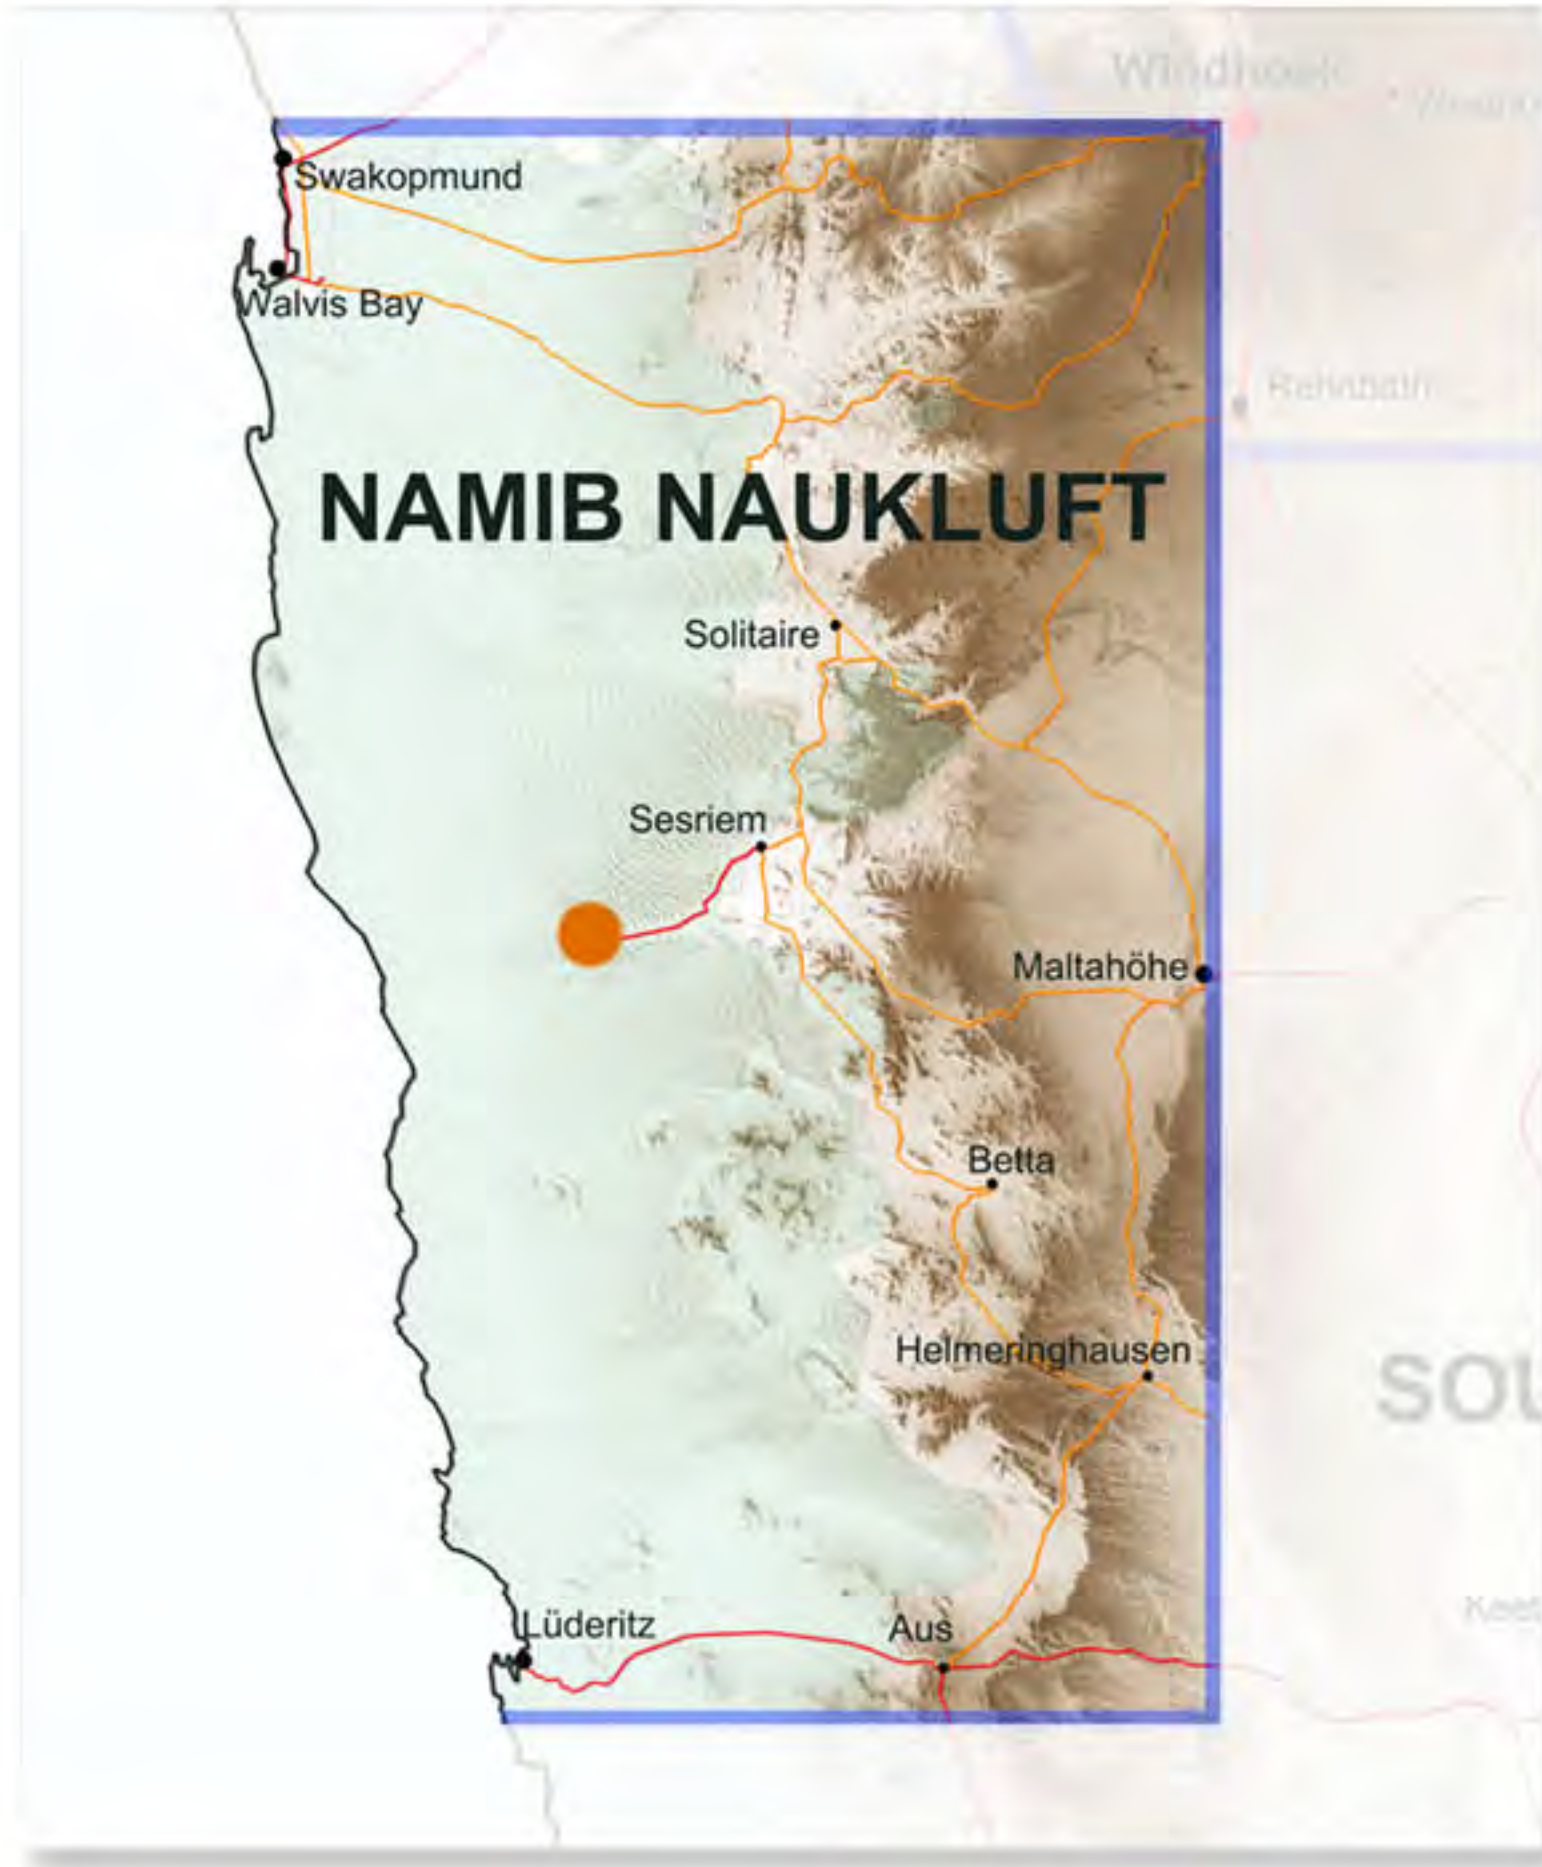

>> photograph on foot

>> **best time: all year**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sossusvlei, Deadvlei & surroundings

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sossusvlei, Deadvlei & surroundings
>> much more in Modules 9 & 10

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sossusvlei, Deadvlei & surroundings
>> much more in Modules 9 & 10
- Sossusvlei & Deadvlei are spectacular wilderness locations amidst the vast dune sea featuring many more world-class photographic highlights

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sossusvlei, Deadvlei & surroundings
>> much more in Modules 9 & 10
- Sossusvlei & Deadvlei are spectacular wilderness locations amidst the vast dune sea featuring many more world-class photographic highlights

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sossusvlei, Deadvlei & surroundings
>> much more in Modules 9 & 10
- Sossusvlei & Deadvlei are spectacular wilderness locations amidst the vast dune sea featuring many more world-class photographic highlights
- desert adapted wildlife (springbok, gemsbok, ostrich)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- **Sossusvlei, Deadvlei & surroundings**
>> much more in Modules 9 & 10
- Sossusvlei & Deadvlei are spectacular wilderness locations amidst the vast dune sea featuring many more world-class photographic highlights
- desert adapted wildlife (springbok, gemsbok, ostrich)
>> permit required; part of the Namib Naukluft Park

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Sossusvlei, Deadvlei & surroundings
>> much more in Modules 9 & 10
- Sossusvlei & Deadvlei are spectacular wilderness locations amidst the vast dune sea featuring many more world-class photographic highlights
- desert adapted wildlife (springbok, gemsbok, ostrich)
>> permit required; part of the Namib Naukluft Park
>> 2x4 to get to accommodation & camping and to drive up to 5km from Sossusvlei; 4x4 needed to get to parking areas at Sossusvlei & Deadvlei

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

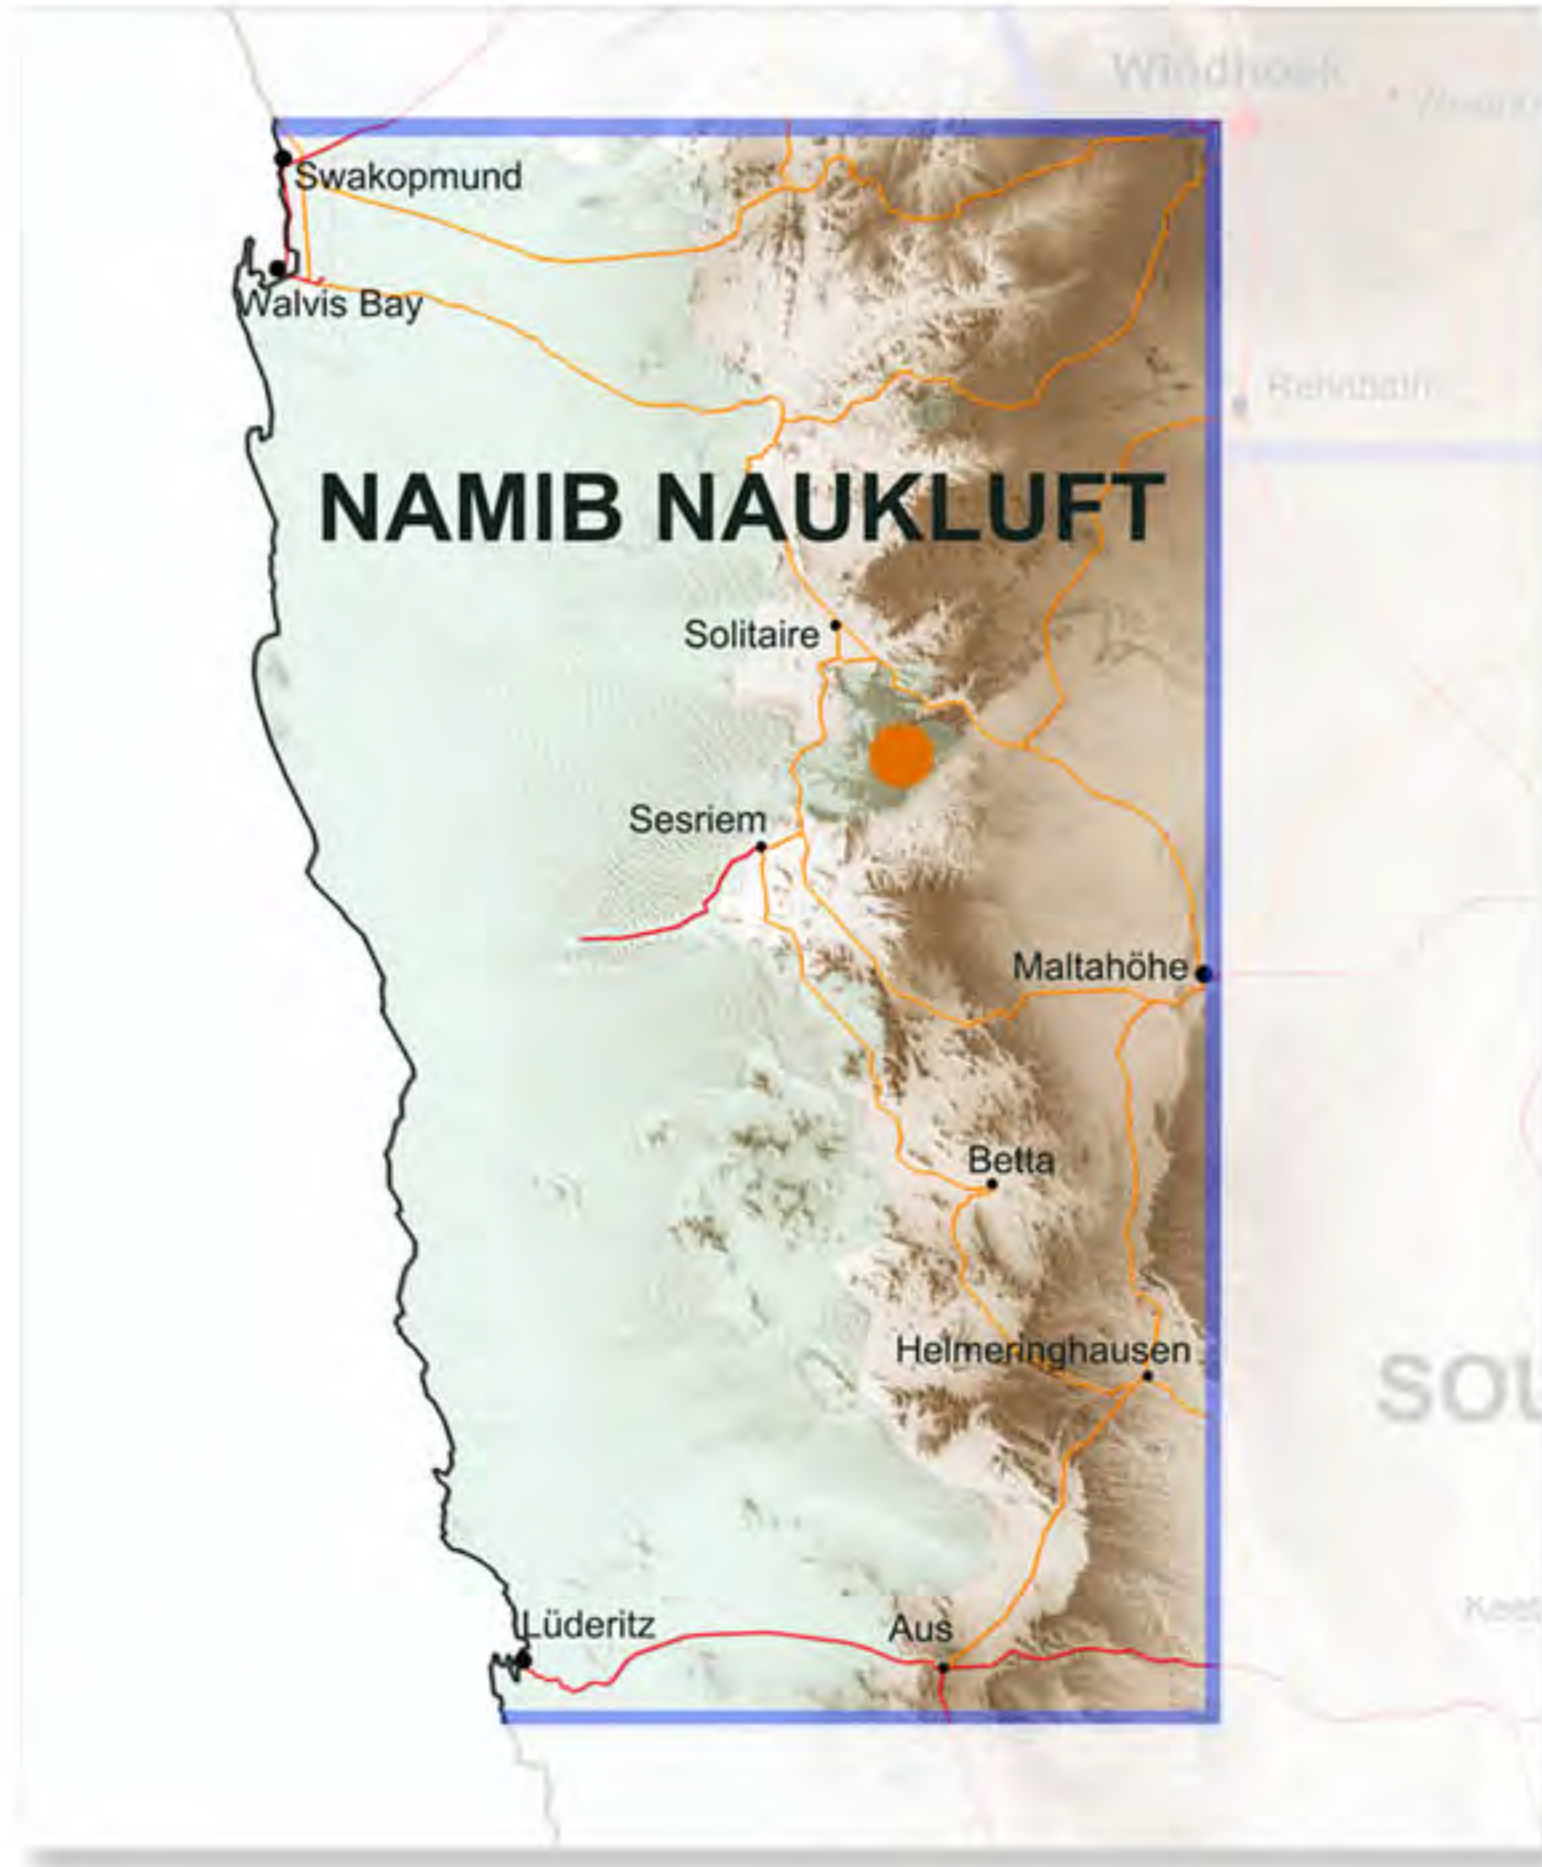

6. The Namib Naukluft & surrounding areas

- **Sossusvlei, Deadvlei & surroundings**
 - >> much more in Modules 9 & 10
- Sossusvlei & Deadvlei are spectacular wilderness locations amidst the vast dune sea featuring many more world-class photographic highlights
- desert adapted wildlife (springbok, gemsbok, ostrich)
 - >> permit required; part of the Namib Naukluft Park
 - >> 2x4 to get to accommodation & camping and to drive up to 5km from Sossusvlei; 4x4 needed to get to parking areas at Sossusvlei & Deadvlei
 - >> **photograph on foot, from car & all along the road between Sesriem and Sossusvlei**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- **Naukluft Mountains**
- narrow canyons, great outcrops & boulders, crystal clear pools, small waterfalls, grand views from top of mountains, small & larger wildlife species & lots of birds

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- Naukluft Mountains
- narrow canyons, great outcrops & boulders, crystal clear pools, small waterfalls, grand views from top of mountains, small & larger wildlife species & lots of birds

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- **Naukluft Mountains**
- narrow canyons, great outcrops & boulders, crystal clear pools, small waterfalls, grand views from top of mountains, small & larger wildlife species & lots of birds

>> 2x4 to accommodation/camps; 4x4 to explore

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

6. The Namib Naukluft & surrounding areas

- **Naukluft Mountains**
- narrow canyons, great outcrops & boulders, crystal clear pools, small waterfalls, grand views from top of mountains, small & larger wildlife species & lots of birds

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
- most impressive canyon; 2nd longest in the world

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
- most impressive canyon; 2nd longest in the world
- grand scenes of sheer rock faces and scary heights

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
- most impressive canyon; 2nd longest in the world
- grand scenes of sheer rock faces and scary heights
- sunset & sunrise best time for photography

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
- most impressive canyon; 2nd longest in the world
- grand scenes of sheer rock faces and scary heights
- sunset & sunrise best time for photography
- Klip springer antelope relatively common

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
- most impressive canyon; 2nd longest in the world
- grand scenes of sheer rock faces and scary heights
- sunset & sunrise best time for photography
- Klip springer antelope relatively common

>> 2x4 car

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
 - most impressive canyon; 2nd longest in the world
 - grand scenes of sheer rock faces and scary heights
 - sunset & sunrise best time for photography
 - Klip springer antelope relatively common
- >> 2x4 car
- >> hiking trails on top & in canyon along whole stretch

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
 - most impressive canyon; 2nd longest in the world
 - grand scenes of sheer rock faces and scary heights
 - sunset & sunrise best time for photography
 - Klip springer antelope relatively common
- >> 2x4 car
- >> hiking trails on top & in canyon along whole stretch
- >> photography on foot

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Fish River Canyon
 - most impressive canyon; 2nd longest in the world
 - grand scenes of sheer rock faces and scary heights
 - sunset & sunrise best time for photography
 - Klip springer antelope relatively common
- >> 2x4 car
- >> hiking trails on top & in canyon along whole stretch
- >> photography on foot
- >> best time: all year, but during rare winter rainfall moodier

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- **Sperrgebiet National Park (Diamond area 1)**
- vast wind-swept plains, dunes and rocky hills with rare and endemic succulent plants & reptiles

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Sperrgebiet National Park (Diamond area 1)
- vast wind-swept plains, dunes and rocky hills with rare and endemic succulent plants & reptiles

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Sperrgebiet National Park (Diamond area 1)
- vast wind-swept plains, dunes and rocky hills with rare and endemic succulent plants & reptiles
- Bogenfels, rough coastline & abandoned diamond mining towns

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Sperrgebiet National Park (Diamond area 1)
- vast wind-swept plains, dunes and rocky hills with rare and endemic succulent plants & reptiles
- Bogenfels, rough coastline & abandoned diamond mining towns

>> 4x4, and only with permit & together with appointed concessionaire

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Sperrgebiet National Park (Diamond area 1)
- vast wind-swept plains, dunes and rocky hills with rare and endemic succulent plants & reptiles
- Bogenfels, rough coastline & abandoned diamond mining towns

>> 4x4, and only with permit & together with appointed concessionaire

>> photograph on foot & from the vehicle

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Sperrgebiet National Park (Diamond area 1)
- vast wind-swept plains, dunes and rocky hills with rare and endemic succulent plants & reptiles
- Bogenfels, rough coastline & abandoned diamond mining towns

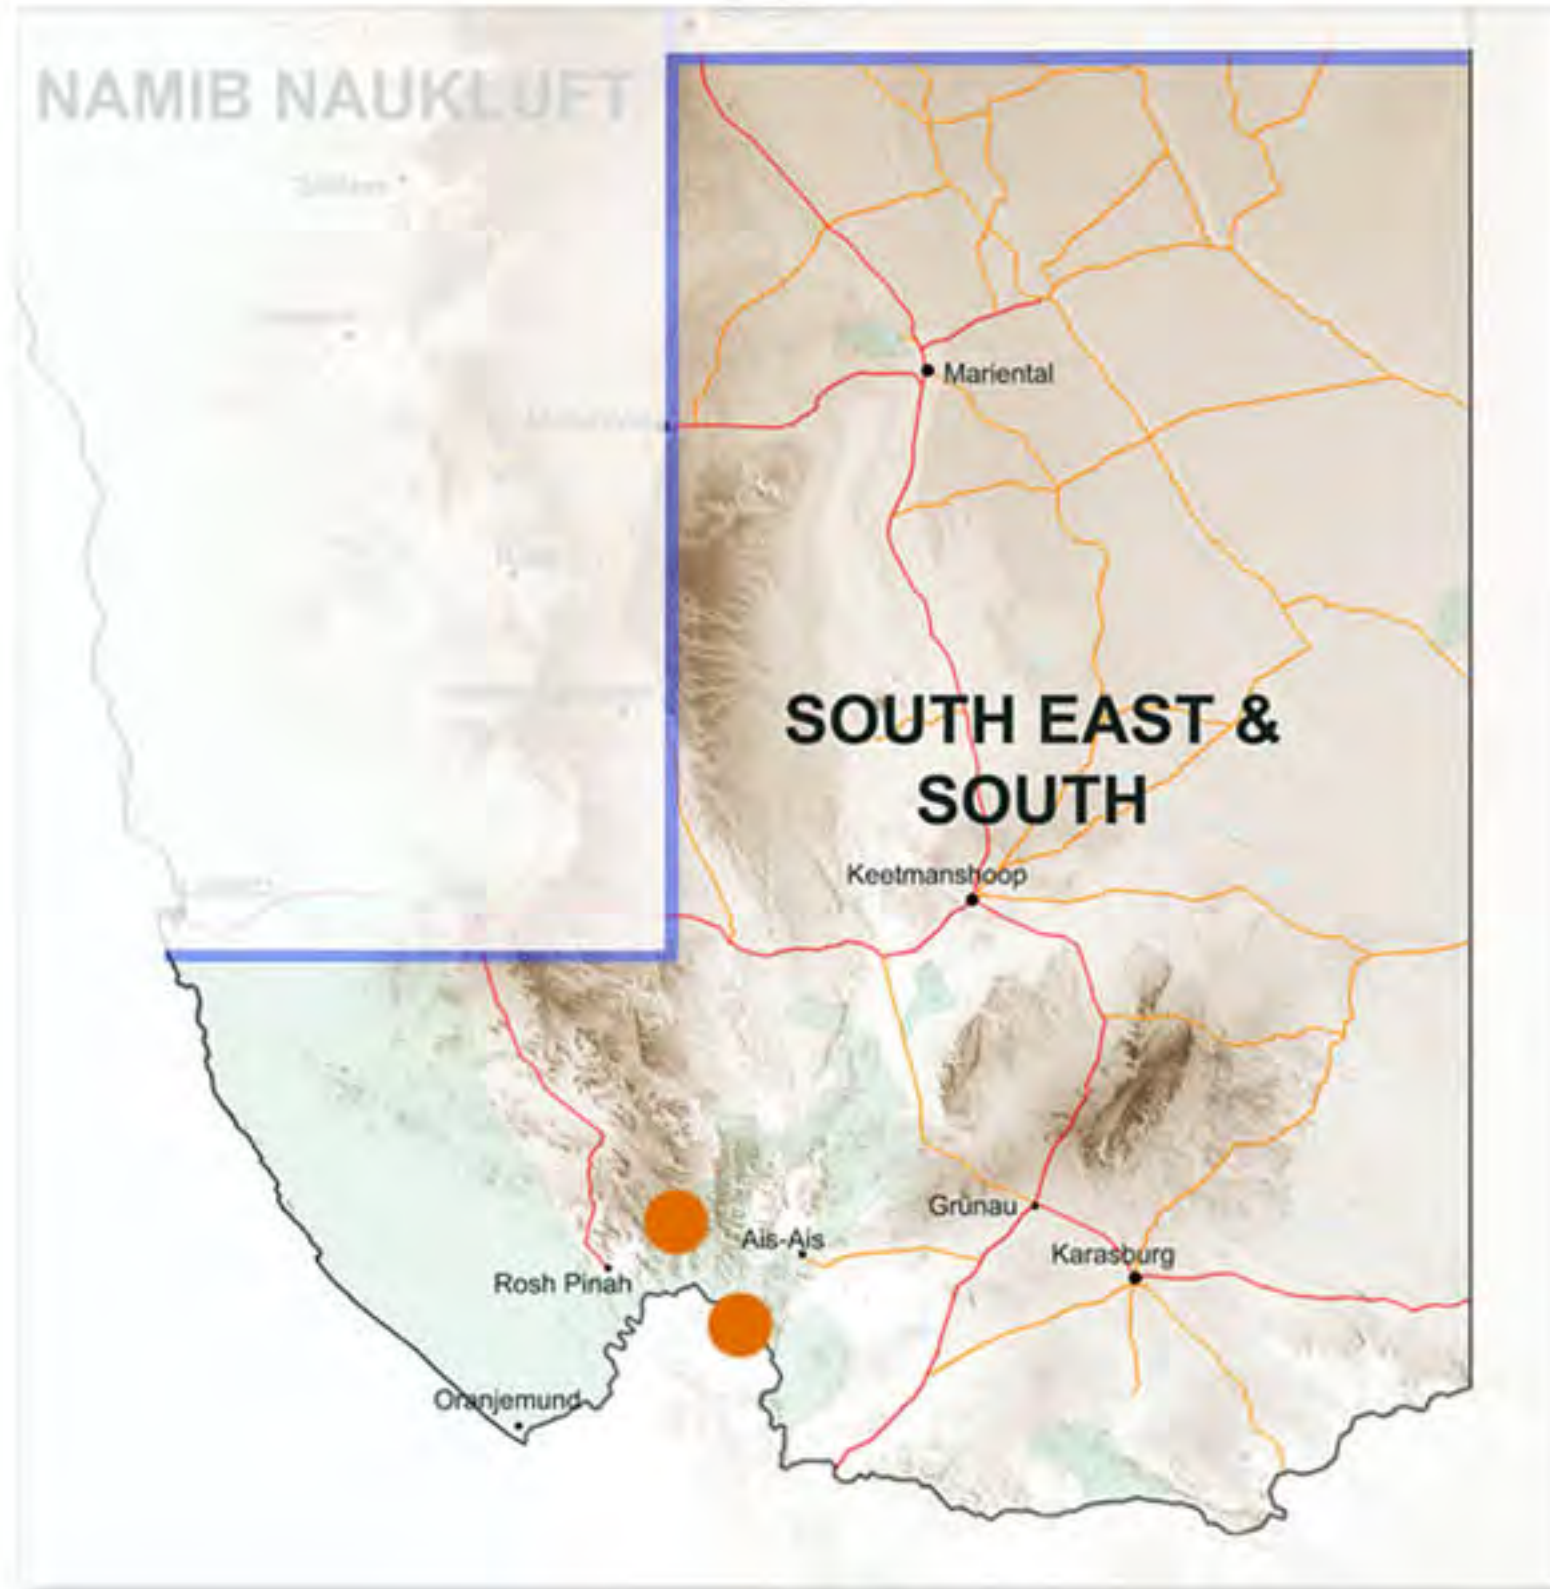

>> 4x4, and only with permit & together with appointed concessionaire

>> photograph on foot & from the vehicle

>> best time: all year, especially at the end of the winter rainfall period

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
- rugged mountains intersected by the permanent-flowing Orange river

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
- rugged mountains intersected by the permanent-flowing Orange river

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
- rugged mountains intersected by the permanent-flowing Orange river
- rare & hardy desert adapted plants

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
 - rugged mountains intersected by the permanent-flowing Orange river
 - rare & hardy desert adapted plants
- >> 4x4 needed for most of the terrain away from the few gravel roads

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
 - rugged mountains intersected by the permanent-flowing Orange river
 - rare & hardy desert adapted plants
- >> 4x4 needed for most of the terrain away from the few gravel roads
- >> photography on foot & from the car

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
 - rugged mountains intersected by the permanent-flowing Orange river
 - rare & hardy desert adapted plants
- >> 4x4 needed for most of the terrain away from the few gravel roads
- >> photography on foot & from the car
- >> great camping possibilities along the Orange river

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
 - rugged mountains intersected by the permanent-flowing Orange river
 - rare & hardy desert adapted plants
- >> 4x4 needed for most of the terrain away from the few gravel roads
- >> photography on foot & from the car
- >> great camping possibilities along the Orange river
- >> canoeing on the Orange river

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

7. South & South-eastern Namibia

- Huns mountains & Orange river
 - rugged mountains intersected by the permanent-flowing Orange river
 - rare & hardy desert adapted plants
- >> 4x4 needed for most of the terrain away from the few gravel roads
- >> photography on foot & from the car
- >> great camping possibilities along the Orange river
- >> canoeing on the Orange river
- >> best time: all year round (becomes very hot in summer months)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Essence of North-western Namibia
- Namibia's wildest region

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Essence of North-western Namibia
 - Namibia's wildest region
 - Kaokoland home of Himba people

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Essence of North-western Namibia
 - Namibia's wildest region
 - Kaokoland home of Himba people
 - desert & semi-desert

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Essence of North-western Namibia
 - Namibia's wildest region
 - Kaokoland home of Himba people
 - desert & semi-desert
 - rugged terrain, many dry rivers, Kunene river flows throughout the year

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Essence of North-western Namibia
 - Namibia's wildest region
 - Kaokoland home of Himba people
 - desert & semi-desert
 - rugged terrain, many dry rivers, Kunene river flows throughout the year
 - some areas only accessible by plane; most require experienced 4x4 driving skills; very slow going

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Essence of North-western Namibia**
 - Namibia's wildest region
 - Kaokoland home of Himba people
 - desert & semi-desert
 - rugged terrain, many dry rivers, Kunene river flows throughout the year
 - some areas only accessible by plane; most require experienced 4x4 driving skills; very slow going
 - **some areas only accessible with special permit or with concessionaire (Skeleton Coast Park)**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Ruacana Falls**

>> bordering Angola & close to a border post

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Ruacana Falls
- spectacular waterfall

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Ruacana Falls
 - spectacular waterfall

>> 2x4 car; 4x4 to explore; dedicated trip

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Ruacana Falls

- spectacular waterfall

>> 2x4 car; 4x4 to explore; dedicated trip

>> water flow is dependent on rainfall in Angola

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Ruacana Falls

- spectacular waterfall

>> 2x4 car; 4x4 to explore; dedicated trip

>> water flow is dependent on rainfall in Angola

>> photography on foot; only a few photo points

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Ruacana Falls

- spectacular waterfall

>> 2x4 car; 4x4 to explore; dedicated trip

>> water flow is dependent on rainfall in Angola

>> photography on foot; only a few photo points

>> best time: end of rainy season (most water, but highest Malaria risk)

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Epupa Falls**
>> bordering Angola

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Epupa Falls**
 - myriads of waterfalls; baobab trees; palm trees; 'fairyland atmosphere' ie. at sunset

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Epupa Falls**

- myriads of waterfalls; baobab trees; palm trees; 'fairyland atmosphere' ie. at sunset

>> 2x4 car; 4x4 to explore; dedicated trip

>> **best time: end of rainy season (most water, but highest Malaria risk)**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Marienfluss Valley, Hartmann Valley & Kunene river**

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Marienfluss Valley, Hartmann Valley & Kunene river**
- tall grass plains as far as the eye can see with patches of 'Fairy circles'

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Marienfluss Valley, Hartmann Valley & Kunene river
 - tall grass plains as far as the eye can see with patches of 'Fairy circles'
 - grass plains surrounded by rugged mountain ranges & outcrops

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Marienfluss Valley, Hartmann Valley & Kunene river
 - tall grass plains as far as the eye can see with patches of 'Fairy circles'
 - grass plains surrounded by rugged mountain ranges & outcrops
 - desert elephants, mountain zebras and giraffe

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Marienfluss Valley, Hartmann Valley & Kunene river**
 - tall grass plains as far as the eye can see with patches of 'Fairy circles'
 - grass plains surrounded by rugged mountain ranges & outcrops
 - desert elephants, mountain zebras and giraffe
 - Kunene river a welcome oasis in the barren landscape, but teeming with crocs

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- Marienfluss Valley, Hartmann Valley & Kunene river
 - tall grass plains as far as the eye can see with patches of 'Fairy circles'
 - grass plains surrounded by rugged mountain ranges & outcrops
 - desert elephants, mountain zebras and giraffe
 - Kunene river a welcome oasis in the barren landscape, but teeming with crocs
 - home to semi-nomadic Himba people

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Marienfluss Valley, Hartmann Valley & Kunene river**
 - tall grass plains as far as the eye can see with patches of 'Fairy circles'
 - grass plains surrounded by rugged mountain ranges & outcrops
 - desert elephants, mountain zebras and giraffe
 - Kunene river a welcome oasis in the barren landscape, but teeming with crocs
 - home to semi-nomadic Himba people
- >> 4x4 only; best to travel with two vehicles in convoy, good off-road experience required

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)

- **Marienfluss Valley, Hartmann Valley & Kunene river**
 - tall grass plains as far as the eye can see with patches of 'Fairy circles'
 - grass plains surrounded by rugged mountain ranges & outcrops
 - desert elephants, mountain zebras and giraffe
 - Kunene river a welcome oasis in the barren landscape, but teeming with crocs
 - home to semi-nomadic Himba people
- >> 4x4 only; best to travel with two vehicles in convoy, good off-road experience required
- >> all fuel, tyres, spares and food and water to be taken with; mostly wild camping

MODULE 2: PHOTOGRAPHIC HIGHLIGHTS IN NAMIBIA

2. North-western Namibia (Kaokoland, Damaraland, Skeleton Coast Park & Dorob N.P.)
